

St. Cuthbert with
St. Matthias C of E Primary School

“good”

Ofsted inspection October 2016

“outstanding”

Statutory Inspection of Anglican &
Methodist Schools (SIAMS) December 2016

At St Cuthbert's we can offer your children:

- a good education
- a wide range of after school clubs and extended provision until 6pm
- trips to Wales and Barcelona in Y5 and Y6
- supported focus on all ability groups of learners
- every child's progress individually tracked
- an enriched curriculum, visiting many museums and galleries as part of our curriculum
- breakfast club from 7.30am

'Pupils are confident learners. They know the value of education. One pupil said, 'Learning is fun and educational. It prepares us for the real world.'
OFSTED October 2016

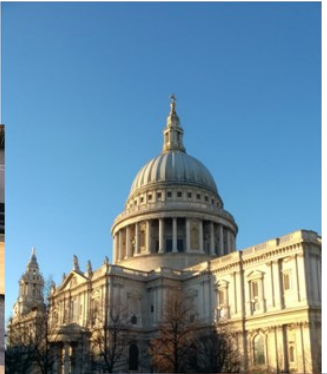

'Relationships are strong and mutually respectful and pupils' behaviour is very good. This reflects the school's Christian values very well. '
SIAMS December 2016

Visit our website: www.scwsm.rbkc.sch.uk or call: 020 73738225

We study Spanish at school and each year our Y6 class visit Barcelona for a week in June.

Our children attend local secondary schools-Chelsea Academy and Holland Park- and many are placed in top sets.

Some of our Y6 children attend a very special service at St Paul's Cathedral in spring term - a celebration of Diocese schools.

We enjoy Science and DT opportunities. We have worked alongside Royal College of Arts students in creating new designs.

We enjoy cross-curricular learning with an artist each term. We link our art to RE or learning about values and we learn essential art skills.

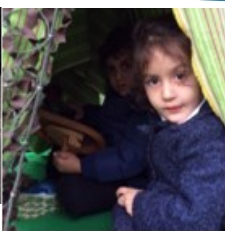

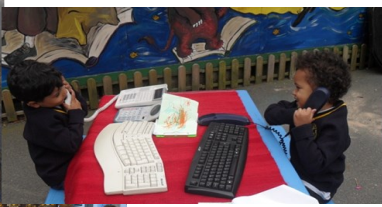

Our school has enjoyed learning with the Google team – an E-safety event in our St Cuthbert church and testing out a new Google App at the Natural History Museum.

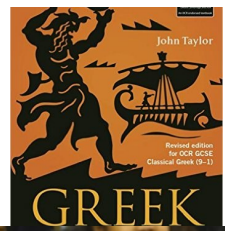

Our Early Years children are enthusiastic learners and experience a vibrant curriculum.

'Pupils rightly see the importance of RE and worship as an expression of the school's Christian foundation. 'We are all part of the school whatever we believe. In RE we learn about respecting faith.'

SIAMS 2016

We offer Classics studies for children in Y5 and Y6.

We value first-hand learning experiences and regularly take learning trips to local museums and galleries.

We love singing and enjoy singing at different venues! We sing at Tesco at Christmas time.

Book author, Michael Morpurgo, was a pupil at our school and visited us to launch his Christmas book, *Coming Home*, in December 2016.
