Year 6's Blog

In RE, we learnt about a story called Jairus's Daughter - we were each given a piece of paper and came up with some ideas of drawings. Did you know that 'Talitha Koum' is in the language called Syriac and it means 'little girl rise up'? It was an interesting lesson and we shared some intriguing questions.

Concert

On Tuesday and Wednesday we had an amazing concert! On the 9th July KS1 parents came and watched us performing our songs and on the next day KS2 parents were invited to witness our performance. All classes have participated in making their own lyrics with the music teacher, Mr Stuart. We all had fun and learnt some key skills such as team work and cooperation.

Our Visitors

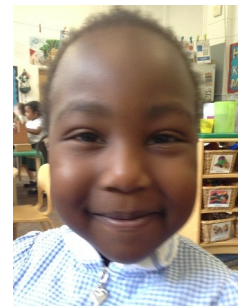

On Monday morning, like every year, we had a large group of visitors! They were from the capital city of Vietnam, Hanoi, and we welcomed them with care and a lot of respect. Did you know that Hanoi is the most popular and attractive city of North Vietnam and it is known for its centuries-old architecture? We shared some funny moments with our visitors before they departed on Wednesday. *By Kenza and Khadija*

We enjoyed having our visitors from Vietnam over this week.

Casalina YN, "In Assembly we sang the song called *The Ants Go Marching* for our performance week."

Year 4's Blog

In our class assembly we talk about a slave who has not eaten for three days. He had blisters everywhere on his feet. He had stolen sweets, fish and sandals. I think that his punishment should be that he pays twice as much as he stole. What do you think his punishment should be? However I think that he should be let off his punishment because he had not eaten in three days. But in those times slaves were not very free.

For our homework we have been asked to rewrite the miracle of the paralyzed man. We had researched the story and had written it up. We figured out that Jesus told the paralyzed man just to stand up and he had then been cured. We were mind-blown, but we also wondered if anyone other than Jesus would have been able to cure the paralyzed man. We had also been learning about filling in sentences with adjectives and verbs.

In RE we have been learning the liturgy of the sacrament. We have been focusing on a Sunday mass. *By Ty and Rami*

Malik YR, "We sang *In The Jungle* wearing lion masks and yellow or brown clothes."

PTA Announcement

We would like to thank everyone that supported us in making our school a great place of learning for our children and the time they spent here to be an amazing experience. Come join us in September for coffee mornings which take place between 9-10 am, every fortnight on Thursdays and are held in St Matthias House. Have a great summer!

“Remember happiness doesn't depend upon who you are or what you have; it depends solely on what you think.” Dale Carnegie

Isabelle Y2, *“We are writing a letter to next year's Year 3 teachers introducing ourselves so when we arrive next term they will know us.”*

Erick Y3, *“On Sports Day I won the sprint and a lot of other races. My team was very fast; we won most races. We were so happy.”*

Our amazing St Cuthbert's kitchen staff made us proud by winning Gold for RBKC award in the operations manager.

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents, Summer time in the city is a busy time, and this week we have happily bounced from one wonderful event to another! We were so fortunate to have our special Vietnamese visitors with us for three days this week, and we would like to thank them so much for their gifts, their incredible dance presentation - and for teaching us some new Vietnamese vocabulary!

It was also wonderful to welcome our St Cuthbert families to our Eco-concerts earlier in the week. After many hours spent writing the lyrics and composing the music for their Eco songs, it was rewarding for the children to have a chance to perform to such enthusiastic audiences!

With all the joy of summer-time visitors and performances, there is often a sad farewell (or three) at the end of any academic year. This term we will sadly say good-bye to some members of our team who have been with us for some years: Miss Williamson (Miss Holly), Miss Palmer and Mrs Unadkat. We thank you so much for the time you have spent with us and the energy you have given to our children. We wish you the very best of adventures in your exciting journeys ahead. We will miss you!

But we are very happy to let you know that two new staff members will be joining our team: Miss Barker and Miss Mc Dermott. We welcome you to St Cuthbert's and look forward to working with you in our team from September.

And now, it's time again for a well-deserved weekend! We wish you all two peaceful days ahead recharging batteries, in preparation for our many graduations next week!

With best wishes,
Gill Putterill and the St Cuthbert Teaching Team

Year 5's Blog

In English we have finally finished our big unit of work: the study of a significant fictional text. Our text was called Floodland and the author's name is Marcus Sedgwick. The book is about a girl called Zoe;

she lost her parents whilst trying to board the last rescue ship from her island: Norwich (named after a real place in England). The island was being drowned by the water as the sea levels were rising at an extreme speed. We discovered in the final chapter that Zoe was finally reunited with her parents after quite an adventure. She met her baby brother and called him William, which is named after a friend of hers in the story who possibly died. If I had to rate the story out of a ten I would rate it a ten out of ten!

Here are some questions we explored upon finishing the novel:

Think of yourself as a spectator. With whose eyes did you see the story?

Did you only see what one character in the story saw, or did you see things sometimes as one character saw them as sometimes as another and so on?

Which character interested you the most?

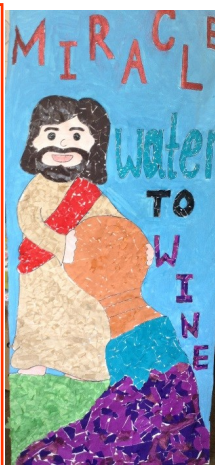

Did any of the characters remind you of people you know? Or remind you of characters in other books?

In Art we have been using watercolours to consider the rich imagery of water from Floodland. Moreover, we have watched some FANTASTIC videos about artistic techniques, such as wet-on-wet, wet-on-dry, blotting, erasing colour and creating a ripple effect. For the art, most students used the colours: green, blue, yellow, purple and many more.

Vietnamese visitors

This week we had visitors from Vietnam who participated in our classes. On Tuesday we had fun with the Vietnamese visitors in Holland Park - we played football while others took them on a walk around the park. Before leaving, they performed a dance for the whole school and brought everyone amazing gifts.

Amazing collages of miracles preformed by Jesus.

Sarah Y3,

"Our Vietnamese visitors were in our Year 3 class room. I was paired with a girl called Linh. We played badminton, tennis and a game called creepy spells. They were really good at badminton and showed us how to play."

Aiden Y2, " We are writing a thank you letter to our parents because they have helped us with our learning. We are also writing to our teachers to thank them for their help in our lessons."
