### Year 5's Blog

In English we read the book called There's a boy in a girl's bathroom. We had to label a character in the story called Jeff Fishkin. Jeff went into the girl's bathroom and he was very embarrassed. We wrote a diary in first person as Jeff and talked about what had happened to Jeff. Also there is another boy called Bradley and everyone in the class hates him and does not want to sit next to him.

In maths we learned about 3D shapes and 2D shapes. There are 2 types one is called irregular polygons and the other one is called regular polygons. Regular shapes have straight lines not curved lines and irregular shapes are curved. Quadrilaterals have four sides like a rhombus and a square. 3D shapes have faces, edges, vertices.

A few of us, Saha, Kenza, Nicole Kate and Jenna were chosen to go to Chelsea Stadium. We met the captain of the women's team. We also got to play against other children. Great fun!

### Year 6 Blog

In English we have been writing 'thank you' letters; here is my letters to our chair of governors.

*Dear Mrs Munoz Slaughter,*

*I am writing to thank you for the delicious, scrumptious breakfast you provided for us during the SATs week, with your own money impressively!! There were a variety of options for all of us. This was also an opportunity to hear everyone's opinion and thoughts about the upcoming test. It was vital to have breakfast; it made us feel less nervous.*

*The nutritional food was very healthy and energy-giving, which is perfect because we needed a boost to complete our stressful SATs. The fact that you carried out extensive research to suit everyone's taste in food is mind-blowing. The bagels were particularly appetizing paired with some satisfying blueberry juice. I was full by the time we finished [I felt so much more confident than before.] I was over-joyed when I spotted the table containing a magnificent feast.*

*Purchasing all this food was so generous and thoughtful of you. It is very considerable of you to set up and buy everything to help us do well in our SATs. Although it is not easy to cater for everyone, you did it extremely well. Admirably, you invested in our breakfast, which is an over-whelming gesture.*

*Thinking back, shared with my friends, the delicious, mouth-watering breakfast helped us a lot: it stimulated our brains so they could function properly and remember all of the essential learning we have done this past hardworking year. The morning meal provided energy for us to last throughout the entire day. It also gave us time before the exam to de-stress with our friends.*

*Luckily, this breakfast was very beneficial and this will most definitely be a lasting memory because it was very enjoyable especially since we had a chance to bond with each other. If I were to look back, I would remember these warm memories. Exciting, tasty and memorable, this social occasion was fantastic. By Edi (and Marseline)*

**Assia Y2**, "I wrote a sentence describing a picture by using a capital letter, finger space and full stop."

This week's King and Queen of Year 3 are **Tristan and Rowayna** for always doing the right thing by following the 4C code.

## PTA Announcement

**Come join us for coffee mornings which take place between 9-10am, fortnightly on Thursdays and are held in St Matthias House. Next meeting is on June 7<sup>th</sup> at 9 am.**

*“Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible.”* Francis of Assisi

**Ryan Y3**, *“In Maths we have been learning about shapes and angles. We looked at houses and buildings. Some are square and some are triangle.”*

**Jena YN**, *“We read a book called ‘Yum, Yuck! Its about a baby tasting different food.”*

*Dear Miss Munos-Slaughter,*

*I am writing to express my gratitude for providing us a wholesome, mouth-watering breakfast during each day of our SATS. Supplied at the right time,*

*this breakfast was vital because it made us focused and energetic.*

*During SATS, there was a wide array of nutritional, colourful, scrumptious food with many delightful flavours including toasts, blueberry juice, breakfast bars and many more. These foods were all filled with nutrients, protein and selections of vitamins. The best items in particular were the bagels because they provided energy and because they were delicious.*

*What an overwhelming week it was! We appreciate all the effort you put into this for us. The thought of providing this amazing appetizing breakfast is fantastic. You invested your own money into supplying our delicious breakfast which we are all grateful for having.*

*Feeling anxious each day, the whole class benefited by having a satisfying, delicious breakfast. The healthy breakfast made our minds focused and helped the class read the overwhelming and tricky questions carefully. Throughout the breakfast we could all be social and stay with our friends while we ate our wholesome food.*

*Overall, the whole class will have a variety of vivid memories of SATS and the brilliant breakfast. Bonding with my peers was surely amazing! My class and I will never forget this experience and the SATS week!*

*Thank you Mrs Munoz-Slaughter. Many years later, if I were to think back, I would remember the breakfast, the thought and the effort you invested into this. Amina*

## HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

‘Why have you had a good week?’ I asked some Y4 and Y5 children yesterday. Here are their responses...

‘Because we had assessments. I liked grammar and punctuation and Maths assessments. Plus the teacher said we might have to do assessments tomorrow!’ Mariig

‘I like assessments. I loved this week because we got to do more learning – like timetables. We did a test and I got 20/20’ Kate

‘I had a good week because at the start of it we got to go swimming and I always love to go swimming. Today we were learning about Hindus and I love to know about what their culture is.’ Wilson

‘I liked this week because I had fun in my classroom because we had Guided Reading. It is also very funny to find out what is happening in the country of the Hindus –the cows being everywhere, like on the motorways. I learn something new every day in English.’ Lucas

How lovely to know that amongst other favorites, tests and assessments are up there at the top of the list too!

We also all had a great start to our week with our Big Brekkie in aid of the Christian Aid Charity on Monday. Thank you to those children who wore red and white, paid their £2 and enjoyed their breakfast. As a school we made £188.75 for Christian Aid, which will help this charity to support all families in our world who are facing humanitarian and environmental crises. Thank you so much to our community for their generous donations.

Looking ahead, I see a symbol for every type of weather in the forecast for our half term holiday. But we hope you will still be able to enjoy some moments outdoors during the week - and we look forward to seeing you back with us on Monday 4th June at 8.50am for summer term2.

Best wishes,

Gill Putterill and the St Cuthbert Teaching Team

## Year 4's Blog

Have you had an exciting week? Year 4 have had a wonderful week! We can't wait to tell you all about what we have been doing. We have managed to stay upbeat even though we have had assessments every day this week.

We have continued to build on our rich vocabulary in year 4. Here are some new words we stumbled across in our guided reading this week: desecrated, bouquet, prototype, atonement and institute. Do you know what these words mean?

In RE we have been learning about pilgrimage and why it is important. We learned about Kumbh Mela which is the most famous Hindu pilgrimage that takes place in India in the River Ganges. Did you know that 30 million people come on this pilgrimage and it happens every 3 years? We explored reasons why people go on pilgrimages, such as to grow spiritually and to be purified of sins. We wrote diary entries as if we were on the Kumbh Mela and thought about how we might feel. Some of our suggestions were: uneasy, excited, connected, uplifted and (at times) squashed!

In Spanish we have been learning about the shops and how to pronounce them. We have also been talking about what the shops sell in them. *By Dana and Omar*

Beautiful super hero posters from Reception class.

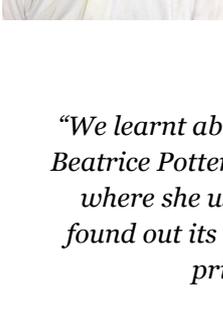

**Abdulah Y3,** "In Science we have been learning how to survive in the rainforest. How to make a fire and to be aware of poisonous fruits."

**Sarah H YR,**  
"We designed super hero sunset posters in our class room. Mrs Kasha helped me with mine."

**Rhys Y2,** "In English we are writing a story based on Anthony Brown's book called 'The Night Shimmy' by using top adjectives, top conjunctions and sentence openers."

Welcome back Mrs Sokhi after you maternity leave!

**George Y1,**  
"We learnt about the author Beatrice Potter and went to where she used to live. We found out its now Bousfield primary school."

### STAR LEARNERS OF THE WEEK Congratulations to all of you!

## Earls Court Farmers' Market

**Earls Court Farmers' Market open on Sundays at our St Cuthbert's with St Matthias School.**

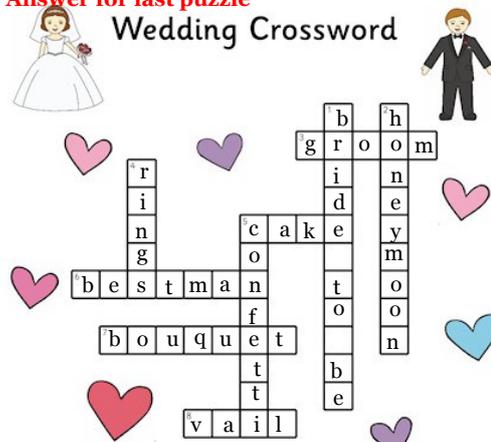

### Every Sunday 10am-2pm

The freshest, most seasonal produce direct from the farm, fishing boat, bakery or dairy. Every Sunday come and shop, meet your friends and neighbours. The farmers market is the friendliest place to shop, try something different, talk to our farmers and fishermen, see what they recommend for dinner! Bring the whole family.

**Kids love farmers' markets too.**
