

Loving one another. Learning for our future.

‘Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.’

St Cuthbert's Class of 2022 Blog

For English we had to write our traditional tale from a couple months ago on Google docs to put in a book, these tales includes the ‘Loch Ness Monster’, ‘La Bafana’, ‘Bagot goat’ and ‘Garlic and Shallot’.

The Jungle Book Play

On Friday, we put on two extraordinary performances for children and adults alike. We had been practising for months. We were very nervous for the first play but for the second play we got the hang of it. Our personal favourite characters were Baloo (Callum DR.SUS), Kaa (Ibrahim John) and Mowgli (MasonM2Splat). These characters played their parts extremely well and with great expression. The play was so touching that some parents shed tears.

The Football Team

The school football team is a team of boys who went out of school and played football matches against other schools. We worked well as a team and defeated every team that came our way except one that were a decent team. We were losing the game until Daniel and Ibrahim scored a goal to make it 3-3. We would like to thank our bald and buff teacher Antony for organising every match and helping us get our game faces on.

Disco

After all the hard work we did this year, we had an extravagant disco in the hall with all our favourite songs. We also had lots of scrumptious snacks like fruit pastels, pizza, punch and crisps. There also was a photo booth so we could take pictures in our fancy garnets. Some of our fave songs from the playlist were ‘Fall and Roll’, ‘House of Memories’, ‘Mood’ and ‘Super Idol’

Memories

Here are some events we will always remember. We will name a couple of moments we have enjoyed over the years.

Thorpe Park

Now for people who don't know, Thorpe Park is a Theme park filled with food, rides, attractions and experiences so it's great if you're an adrenaline junky. Some of our personal favourite rides were ‘The Inferno’, ‘Stealth’, ‘Saw’ and ‘Tidal Wave’. A funny thing we did there was we brought a bunch of KFC and put it in one bucket and named it ‘fried mountain’ (The people who brought it were Callum, Ibrahim, Daniel and Mustafa). On the ride Tidal Wave all the boys (except Ryan) took their shirts off and called themselves the shirtless men.

Year 3’s Blog

Welcome to Year 3’s blog!

In Maths today we’ve been learning about fractions. Different kinds of fractions such as, $\frac{1}{3}$, $\frac{1}{2}$, $\frac{1}{4}$ and $\frac{4}{4}$ (a whole). We also learnt about unit fractions and non- unit fractions. A unit fraction is when the nominator has one. On the hottest day of the year or ever we stayed in class. We did more fractions had some fun and ice lollies to keep cool. Later this week we had a class party with musical chairs and statues.

On Thursday we went to Holland Park with Year 4. We played on the slides and had lots of fun. We then made a booklet to save all the good memories we had in Year 3. Our lovely teacher Miss Martina gave us all different gifts. The girls got colour changing rings and scrunches. The boys got water guns bubble tubes. Have an amazing summer holiday!© *By Hannah and Elyaa*

Wales

A trip Year 4, 5 and 6 been on, this trip was one of the best trips we have ever went on if not, the best. The trip lasted 5 days and the food was phenomenal and not even mentioning the exciting jobs like sheep herding, animal feeding and getting scolded by Anthony. Anyways, besides that another fun thing we liked to do was play games in the dorms and the Quiet room (which wasn’t very quiet). Another fun thing we liked to do was play IT or a variation of it but the one we liked the most was ‘Drunk Noah’.

Science Museum

We really liked this one although it wasn’t our favourite but one of the few reasons we liked this one was because of the Wonder Lab. The Wonder Lab is an interactive lab zone area where fun experiments would happen like friction slide, force chairs, chemical mixing and a MASSIVE Tesla coil that was so loud that we had to wear noise cancelling headphones. A few cheeky people refused to wear the headphones.

BTS Hyde Park Corner

This is gonna be a quick one because not much really happened but it was still pretty fun.

Special Thanks

HEADTEACHER’S LETTER

Dear St Cuthbert children and parents,

Well, with summer holidays upon us, it’s another year under our belts - and hopefully a heap of new knowledge too!

A warm and huge thank you to St Cuthbert parents and our wider community for supporting us over the past year. An equally large CONGRATULATIONS to our pupils for navigating their way through on-site, off-site, online and offline learning over the past year, not to mention a phenomenal heatwave in the past week! You have kept your focus and enthusiasm throughout - well done to you all!

I would additionally like to thank our hard-working staff team for their dedication to teaching and learning over the past year. As with all year-ends, we have GOODBYEs and HELLOs to share. We will be saying a fond farewell our Year 6 class of 2022. Also to some of our teachers and support staff today as they move on to new horizons locally and in distant lands and for some, further studies! I would also like to especially thank Ms Maxey for stepping up as Interim Assistant HT for the past two terms this year. We thank you all for your time with us and for the energy you

have given to teaching our St Cuthbert children over the past year or two. We wish you all the very best in your new ventures...

We say Good Bye and Thank You to Ms Maxey, Miss Head, Miss Canavan, Miss Nerwan, Miss Saaid and Mr Routledge and wish you all the best in your new journeys to new horizons, distant lands and further studies! Exciting times ahead!

We warmly welcome some new members of staff to our team for September: Miss Clare McCusker, Miss Joan Woollven and Mrs Mariam Polad. In September, we will also be welcoming some additional LSA staff members to the team – details to follow in the first week of term. In this final newsletter, I would like to take an opportunity to congratulate Miss McCusker on her appointment as Assistant HT for St Cuthbert’s from September 2022. A further introduction to our new team members will take place in September when our St Cuthbert community will have an opportunity to meet the team in person.

Just before closing, I would like to share information about class teachers for the new academic year.

And now, every best wish for a safe, wonderful summer holiday. We look forward to seeing you back with us on Monday 5th

Year 4's Blog

Welcome to Year 4 outstanding and incredible blog

Sadly, this is the last blog of Year 4, we shall be moving on to Year 5 in September!

On Wednesday Year 4 had their fantastic graduation. Luckily the sun had mercy on us also our parents were invited to join our graduation. We got changed into our most formal clothes we had.

Later on we helped make raisins cookies with our brilliant teacher Mrs Brincat. On Thursday we had a trip to Holland Park with Year 3 children. We went to the adventure playground and played in the slimy wet sand. We came back to school for lunch and had our amazing class party.

Have a wonderful and brilliant summer break!

Year 4's fantastic graduation ceremony.

Anand Y3, drew an incredibly detailed comic strip based on a story from a book called The Dolphin Boy. Well done!

We finally have our precious new apple tree to honour the Queen's Platinum Jubilee year.

Year 5's Blog

Hello and welcome to Year 5's last blog of 2022.

This week we did all sorts of end of year activities. We were mostly on the Chromebook scratch and its fun games. We had our graduation party on Wednesday even though our graduation was on Thursday at 2:15.

On Thursday, we did our Y6 transition which was fun because we got to know our new teacher, (whom we have never met before) Miss Boateng! Followed by baking delicious cookies. We also had our graduation on Thursday and everyone was dressed in formal clothes. Lastly, the class split into small groups to do a presentation for reception, year 1 and year 2 about fossils.

Five people in our class. Lea, Mojtaba, Mouemin, Imogen and Judah, organized a fundraiser selling lemonade, coffee for kidz, cookies and ice lollies. The reason we made this fundraiser is to raise money to buy new sports equipment for Mr. Anthony. The fundraiser is on FRIDAY 22nd JULY 2022. By Lea and Mojtaba ☺

Year 6 put on a smashing performance the Jungle Book Musical in front of the whole school parents and invited guests.

Notice to parents

As we reached the end of the summer term we are asking if you have any uniform you would like to donate to the school to help families in need. Please can you bring them to the school office in September. Thank you.
