

## Loving one another. Learning for our future.

'Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Living our Vision

17 September 2021

### Year 6's Blog

In this lovely week we did these subjects. First of all, in RE we are learning about the journey of life and death, in the Christian faith. We have learned lots of milestones in your glamorous lifetime, Such as, being born, getting married, having a child and becoming a grandpa/grandma.

Next, we did Math. In math we did place value and rounding up. In place value we partitioned numbers to their original states, we also rounded numbers to 10, 100 and 1000, the majority of the class also did column based rounding and if you had finished (which no-one did) they would have to do a challenge.

After we did a fun Math lesson, we did Science. In Science we learnt about the human circulatory system –which contained the heart, blood and blood vessels- which is one of the most important human system. We researched about the human circulatory system on the Chrome books with useful websites. There were two parts of this Science project, the first part of this project was to write about the human circulatory system and the beating heart. The second was the human digestive system. We also did diagrams of the human body and labelled the important parts.

Finally, we did Spanish. In Spanish, we learnt about the days and months of the year, for example today is Dieciséis de septiembre.

We look forward to next week's oncoming subjects that are wonderful in our education as we learn to become more intelligent in Year 6 and being the role models of the younger classes. *By Mustafa and Finn*

**Louis YN** "We have been learning about Harry and the bucket full of dinosaurs. We counted dinosaurs and then painted the pictures."

### Year 4's Blog

Well come to Year 4's awesome blog.

In English we have been learning about fables. Fables are stories that a moral message behind it. Fables also have animals as characters who talk and act as humans do. We read two fables called the 'Lion and the Mouse' and 'The Boy who cried Wolf'. Then we answered questions about the fables like: what is a genre? What is a moral? We also talked about how to write correctly punctuated dialogue

In Maths we were putting numbers in the right order on a number line to 1,000. Some of the number lines have 10's and 100's division. We then rounded numbers to the nearest 10 up to 1000. For example which multiple of ten is 27 closest to? The answer is 30. We also got a challenge sheet and we had to solve word problems on rounding up to the nearest 10.

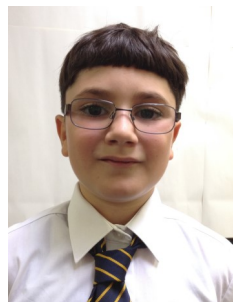

In DT we are designing and making our own money containers out of textile. Firstly, we look at other money containers and examined them carefully. We tried to understand that money containers are designed for different purposes and users. Then we designed how we wanted our ones to look like. We sketched from different views. Next week we are going to make our money containers from fabric.

In RE we have been learning about the Bible that has two parts called The Old Testament and The New Testament. The Old Testament was written before the coming of Jesus. It helps us understand who God is. Some of us wrote in our books about the first book in The Old Testament called the Genesis: the story of creation. And others drew a cartoon to explain the story. Before that we watched a video on YouTube about the creation story. *By Lillymae and David*

# St Cuthbert with St Matthias CE School

*"The beautiful thing about learning is that no one can take it away from you." B.B. King*

**Filippo Y3** *"In Science we are learning about the food pyramid. We wrote about the 5 food groups and proportions for an healthy plate. They are protein, fat and sugar, carbohydrate, fruits and vegetables and dairy."*

**Christian Y1** *"In English we have been writing about my self. I like spiders and going to the park."*

### Class Meeting time table

Year 2	Monday 20 <sup>th</sup> September	9.10am
Year 3	Tuesday 21 <sup>st</sup> September	9.10am
Year 4	Wednesday 22 <sup>nd</sup> September	9.10am
Year 5	Thursday 23 <sup>rd</sup> September	9.10am
Year 6	Friday 24 <sup>th</sup> September, including secondary transfer information	9.10am
Nursery	Thursday 30 <sup>th</sup> September	9.10am
Reception	Friday 1 <sup>st</sup> October	9.10am

### Earls Court Farmers' Market

**Earls Court Farmers' Market open on Sundays at our St Cuthbert's with St Matthias School.**

**Every Sunday 10am-2pm**

The freshest, most seasonal produce direct from the farm, fishing boat, bakery or dairy. Every Sunday come and shop, meet your friends and neighbours. The farmers market is the friendliest place to shop, try something different, talk to our farmers and fishermen, see what they recommend for dinner! Bring the whole family.

**Kids love farmers' markets too.**

### HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

With some amazing autumnal sunshine flooding our school playgrounds recently, SCWSM pupils (and teachers) have been spending an excellent amount of time learning out of doors. Fortunately, our parents will also be venturing once again into our St Cuthbert playgrounds over coming days, as we invite them to gather for morning Class Meetings under Earl's Court skies.

And as much as we love a few rain showers to keep our school garden well-watered, our fingers are crossed for dry spells between 9.10 and 9.40 am each morning next week, enabling our parents to take a look through last year's learning books with their children as well as meet their current year group staff teams. Thank you in advance to those parents who will join us at these meetings, and please see a reminder of dates and timings in our newsletter today.

Heading into our autumn term, you will notice (on class timetables) that we have timetabled an Earth Hour each Monday as one of our reading wheel sessions. These sessions are giving us a chance to do some focussed reading, discussion and investigating around an Earth Hour theme, and with a current world focus on climate action, we are hoping that our pupils will develop both a great knowledge-base and a sincere dedication to best stewardship of our earth. In addition, the COP26 summit just around the corner will give us some excellent opportunities for family debate, research and discussion to challenge us even a little more!

But just in case deep debate becomes a little too mind-boggling in coming weeks, here are two websites to head to for some lighter-touch easy listening or reading:

Oxford Reading Owl <https://home.oxfordowl.co.uk/reading/>

Book Trust <https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

Finally, please keep a regular check-in at our school website for information about our learning and our latest news <https://www.scwsmbkc.sch.uk/>.

We wish you a relaxing and safe weekend,

Gill Putterill and the St Cuthbert Teaching Team

One of our local churches, St Mary The Boltons, is holding an Autumn Fair on Saturday 18th September, and very kindly, one of our governors has offered to arrange for free tokens to be provided at the entrance for our St Cuthbert pupils, enabling them to enjoy themselves at the Fair! All they need to do is identify themselves as St Cuthbert pupils. What a very kind gesture and we are certain our pupils will enjoy themselves very much!

**Yasmine Y2** "In science we have been learning about living things. They are animals, trees and humans."

**Soriyah Y1**

"In Maths we have been counting pictures like in pictures like trees and apples, then wrote the numbers."

**Oliver Y3** "In Maths we have been learning using 3 digit numbers and place values. We then wrote down numbers represented by deniers with base 10."

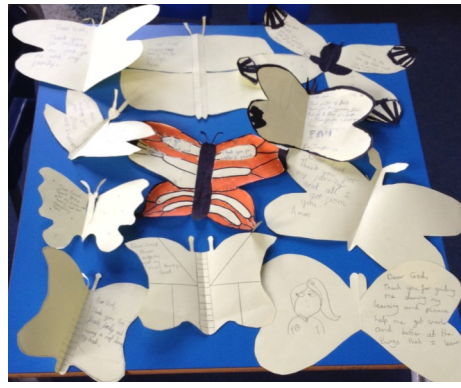

**Amiah Y2**

"In DT we have been looking at different patterns from different countries. We are going to make Joseph's Technicolor coat."

**Sizar and Ghaidaa YR** "We made a colourful rainbow picture together because we are friends. It's a picture of tiny feet."

**Fantastic examples of butterfly prayers from St Cuthbert children. They wrote the things for which they are thankful, like families and nice food.**

**Year 5's DT work shop on Zoom with an artist from the V&A museum. They made different objects from waste paper. Children made impressive aeroplanes and lampshades among other things.**

**ST CUTHBERT  
WITH ST MATTHIAS  
CHURCH OF  
ENGLAND  
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE  
WEEK**

**Congratulations to you all!**

YN Carolina	For great story telling of the Three Little Pigs.
YR Tye- Anthony	For being polite and having good manners.
Y1 Temesghen	For trying her best to remain focused.
Y2 Jasmine	For excellent reading this week.
Y3 Hiden	For sharing an excellent knowledge about mental health in PSHE.
Y5 Mojtaba & Muemin	For always contributing during class discussions.
Y6 Daniel & Mason	For their hard work in Science, with detailed diagrams of the circulatory system and the heart.

**PRESENTATION HOTSHOTS  
OF THE WEEK**

**Congratulations to you all!**

YN Julia	For drawing an amazing happy face.
Y1 Talia	For her fantastic handwriting in all subjects.
Y2 Amiah	For lovely presentation in her character description.
Y3 Yusuf B	For a very neat presentation in all books.
Y5 Dani & Anna	For beautiful handwriting and presentation.

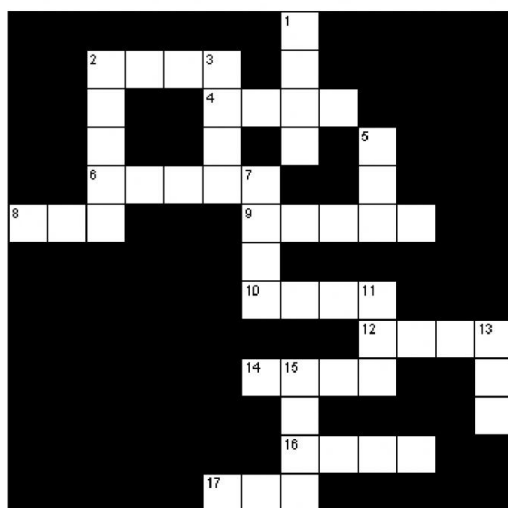

There will be ~~exciting prizes~~, for the right answer to this week's puzzle handed in on **Thursday**. Please write your name and answer on a separate piece of paper.  
**Good luck!**

**Well Done**

*Sarah Y6 for getting the right answer for last week's puzzle.*

**Puzzle time**

**MATH CROSSWORD PUZZLE**

**Clues - Multiplication and Division**

**Across**

- 2)  $22 \times 111 =$  \_\_\_\_\_
- 4)  $88 \times 88 =$  \_\_\_\_\_
- 6)  $892 \times 56 =$  \_\_\_\_\_
- 8)  $47500 \div 50 =$  \_\_\_\_\_
- 9)  $231 \times 189 =$  \_\_\_\_\_
- 10)  $101 \times 11 =$  \_\_\_\_\_
- 12)  $29841 \div 29 =$  \_\_\_\_\_
- 14)  $73326 \div 22 =$  \_\_\_\_\_
- 16)  $45 \times 54 =$  \_\_\_\_\_
- 17)  $6912 \div 9 =$  \_\_\_\_\_

**Down**

- 1)  $120 \times 12 =$  \_\_\_\_\_
- 2)  $65 \times 456 =$  \_\_\_\_\_
- 3)  $33420 \div 12 =$  \_\_\_\_\_
- 5)  $16500 \div 20 =$  \_\_\_\_\_
- 7)  $49 \times 49 =$  \_\_\_\_\_
- 11)  $12769 \div 113 =$  \_\_\_\_\_
- 13)  $11556 \div 12 =$  \_\_\_\_\_
- 15)  $42 \times 84 =$  \_\_\_\_\_

**Year 1 has won this weeks Tidy Ted 1 award for the tidiest class lines in Key Stage 1 and Early Years! Year 5 won Tidy Ted 2 of Key Stage 2 for having the tidiest class lines this week.**

**Answer to last week's puzzle**

**Back to School**

**Directions:** Circle the words hidden in the puzzle. The words are spelled vertically, horizontally, diagonally, and even backwards!

**Word Box:**

school science library  
books reading PE  
learn math art  
recess writing computer  
friends lunch  
teacher music
