

# Loving one another. Learning for our future.

‘Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.’

Living our Vision

22 October 2021

## Year 5's Blog

Welcome to our blog, this week was assessment week so we didn't really do much learning so here's what happened.

Monday

This was a pretty normal day for us. First we had worship in the morning and we sung There is a higher throne, My God loves me and Here I am lord. Next we did DT, we made a big cam mechanism we used a huge card board box, two wooden sticks, more cardboard and tape. We made two holes in the box and put the stick through but not all the way after that we put the cam on the stick and put it all the way through and stuck the cam in place then we made a hole in the top and put the smaller stick in the top and stuck a piece of cardboard on the stick so that it makes contact with the cam and put a cardboard dolphin on the top of the stick. In earth hour we wrote on and cut out a leaf on one side. We wrote our promise to the planet and on the other side we wrote what we want world leaders to say at COP26. We also did PE. Finally we had Spanish, and we learned about what clothes we wear in the four seasons.

Tuesday

This was the star of our assessment week. First we had worship in the morning. After that we did the reading test then after break we did the Maths reasoning test. Then we wrote a reflection on our RE lesson that we did last week. Finally, we did stereotypes in PSHE.

Wednesday

First we did the Maths arithmetic test. After that we had PE In PE we did time trials and it was really fun. A lot of people had really good times. After lunch we did the SPAG test.

Thursday

First we did the science test and then we went swimming and came back and did computing for the rest of the afternoon.

Friday

First we did computing, and learning about puffin crossings. They are a type of crossing which is the safest crossing which even helps blind people. After break, we watched a film. Then we had music and finally the Rose Assembly for the Year 7s that left last year. *By Judah and Fanuel*

## SPECIAL DATES

- **Half Term- 25<sup>th</sup>—29<sup>th</sup> October**

**Kaian YN** "We read and performed a book called 'The Little Hen'. We also made bread and left it to become bigger. We will bake it later."

**Kylo YR** "We measured flour to make bread we also added oil, salt, yeast and water to the bowl."

Children in Art Club made lovely Autumn Gnomes.

# St Cuthbert with St Matthias CE School

*“There is more treasure in books than in all the pirate’s loot on Treasure Island.” Walt Disney*

### Mariatou Y2

*“In PE we played a new game called Chinese whispers. We sat in a circle and one child whispered to the one next to them, then the others have to guess what was said. It was so much fun.”*

**Filippo Y3** *“We made a moving monster with a balloon, a straw and paper. We then drew the eyes and teeth.”*

## Year 6’s Blog

Welcome to the fantastic week of Year 6.

In English we did our tests. First we did our spelling test and reading test and we marked back our English. We also finished a book called War Horse. It was about a horse called Joey that belonged to a young boy called Albert when war broke out they had to give Joey to the army.

In RE we learnt about the afterlife in Christianity we watched a tale about the water bug and dragonfly. Then we drew an image of the afterlife. Some people think there is no after life while some people think there is more than one heaven and hell.

In DT we completed a project about chairs. There are different types of chairs like: teachers chair, director’s chair, beach chair etc. we also learnt about the different bracing on a chair like: k bracing, x bracing, v bracing.

In Math we did arithmetic test and 2 reasoning tests. I prefer the reasoning because to me it is much easier. After that we marked our math book.

In Science we are learning about the circulatory system. To link to it we made hearts out of play dough. We did the aorta, blood vessels, veins and atrium etc. The heart is located in left side on your chest. We also learnt about different blood cells like red blood cell that travels oxygen; platelets are blood cells that repair a cut and lastly a white blood cell is a blood cell that fights bacteria.

### Fun time

We behaved very well through the week so on Thursday we went to Holland Park. We played for 2 hours on swings and slides while half of the class was playing football. On Friday we watched a movie called War Horse, the book we read about in English. This was a great way to break up for the half term. *By Aya and Sarah*

## HEADTEACHER’S LETTER

Dear St Cuthbert children and parents,

As we come to the end of our autumn 1 half term, I thought it might be good to have some picture news for a change! So here are photographs to tell some of the stories about our learning over past weeks: enjoying our stories in YR; enjoying our Spanish learning in KS2; science learning about our hearts in Y6; kind butterfly collages from Monkey Puzzle in nursery and special home learning projects from nursery class as well!

And so after much effort and good learning, it is definitely time for a restful week of down-time. However, we also know that for some of our St Cuthbert pupils, an entire week of down-time may just get a little tedious, so we are sending home a special project which can involve the whole family: a Houses of Parliament project! Project details will be coming home today and we wish you an enjoyable adventure during the week –we also look forward to seeing wonderful projects returning to school in our first week back...

With good wishes for a safe and happy holiday,  
Gill Putterill and the St Cuthbert Teaching Team

## Year 4's Blog

Welcome to our epic blog.

In English we have been learning about homophones, which words that sound the same but are spelt differently. We practiced identifying homophones and use them correctly. We also looked at the difference in meaning between two homophones. We were given questions on exercise sheets to complete sentences with the right homophones.

In Maths we had assessments that covered fractions, number problems and 2 digit numbers multiplications. Later this week we learnt about the column method to add and subtract 4 digit numbers. We found it really helpful and easy to operate.

In Science we planned and wrote a letter to our head teacher Ms Putterill. The letter was about changing environments and how that this can sometimes pose dangers to living things. We wrote a persuasive for Ms Putterill to put habitat for the insects to live in. We also asked questions and made suggestions like more flowers for the bees, in our letters.

In RE we identified how David's faith made his strong. When fighting with Goliaths, who was ten feet tall giant, whereas David was a small shepherd boy, he believed in God that he will beat Goliath. We then answered questions like, 'What makes you strong?' We thought of similar examples where a small and weak person overcome someone who was much bigger and scarier.

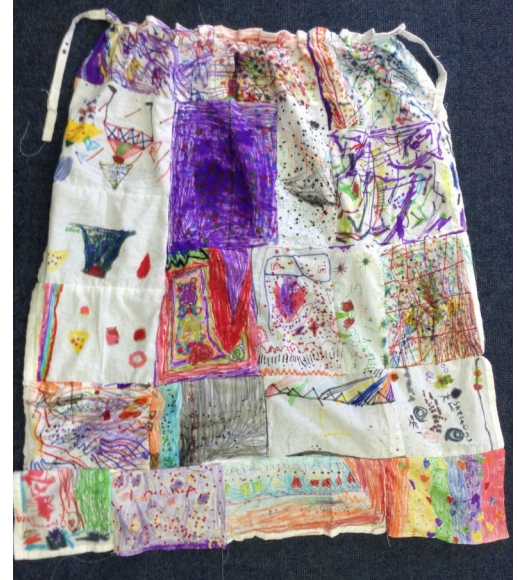

In DT we completed our purses. Our teacher took pictures of our purses and we took them home! *By Aisha and David*

**Year 6's amazing collection of chairs.**

**Jasmine Y2** "In DT we made a Joseph's colourful coat. We used small fabrics we made different patterns and then we sewed them together."

**Year 2's incredible Joseph's colourful coat.**

**Ilaan Y3** "In DT we watched a video on how to make a moving monster. We then made our own one."

**Our very informative Earth Hour poster all about the environment.**

**Talia Y1** "For handwriting we wrote our names and birthdays on a piece of paper. We also wrote what we liked and don't."

## Good Samaritan

**Our Good Samaritans this week are Nahom Y4 for helping other students in**

**Year 2; Adam Y5 for helping a smaller child to come into Nursery.**

**Our School Council made cupcakes and gave to their school mates.**

## This Week's Attendance

Class	Attendance
Y5	95.3%
Y3	92.6%
Y1	90.7%
YR	90.0%
Y2	87.6%
Y4	87.3%
YN	85.6%
Y6	82.7%
Total	87.9%

**ST CUTHBERT  
WITH ST MATTHIAS  
CHURCH OF  
ENGLAND  
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE  
WEEK**

**Congratulations to you all!**

- YN Liam For great story telling of The little Red Hen.
- YR Rayan For his brilliant recall of all the ingredients in our bread.
- Y1 Ebion For settling in well in his first week.
- Y2 Lolowa For trying so hard to be the best listener during learning.
- Y3 Filippo For excellent result in English assessments.
- Y4 Christian For always listening and being studious producing excellent work.
- Y5 Year 5 For integrating new children well in Y5.
- Y6 Rhys For smashing his assessments this week. You absolute super star!

**PRESENTATION HOTSHOTS  
OF THE WEEK**

**Congratulations to you all!**

- YR Haider For independently recalling and writing 2 key words from the story.
- Y1 Chiharu For beautiful presentation in her maths work.
- Y2 Lias For working hard to make his handwriting neater.
- Y3 Michael For a very informative Science project.
- Y4 Cole For always having neat handwriting.
- Y5 Jennifer For her consistently well written work.
- Y6 Boyan For an incredibly innovative chair project.

There will be **exciting prizes**, for the right answer to this week's puzzle handed in on **Thursday**. Please write your name and answer on a separate piece of paper. **Good luck!**

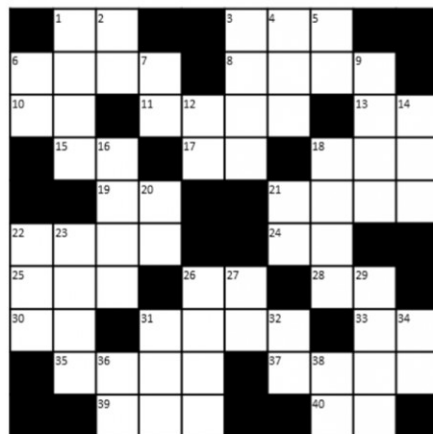

**Reception class has won this week's Tidy Ted 1 award for**

**the tidiest classroom in Key Stage 1 and Early Years! Year 4 won Tidy Ted 2 of Key Stage 2 for having magnificently tidy classroom.**

**Cross Number #1**

*Puzzle time*

**ACROSS**

- 1. 22 - 9
- 3. 159 - 13
- 6. 465 + 750
- 8. 2329 + 3294
- 10. 25 - 10
- 11. 18833 - 9266
- 13. 20 - 7
- 15. 15 + 16
