

Loving one another. Learning for our future.

‘Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.’

Living our Vision

21 October 2022

Year 6's Blog

Welcome to Year 6's amazing blog!

In Science we have been learning about blood vessels and arteries, capillaries and veins. Veins transport blood towards the body. Capillaries are delicate blood vessels that exist throughout your body and also they transport blood, nutrients and oxygen. Arteries help keep your blood pressure steady. They also control our blood flow.

In DT we had to make a project of a chair. In this week's lesson we had to make a vocabulary about our chair, also we drew initial design of our chair. Lastly, we made evaluations about our magnificent chairs.

In RE, we drew pictures about life in heaven and hell. We talked about how we don't want to go to hell but go to heaven. We saw videos about people's opinion about heaven and them not wanting to go to hell.

In PE we have been playing French and English and it's based on the battle of Waterloo and if you get captured you go to jail. In football we played a match till 2 goals. Also we played the one and only pop tag each man or lady for themselves. The game was very fun.

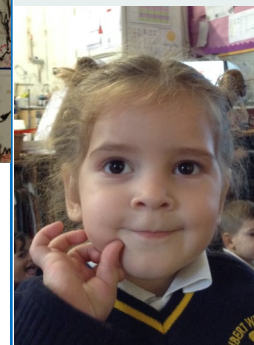

In Music we sang to each other's blue songs that we have made ourselves for the past 3 weeks. It was so much fun. We used instruments like guitar, drums and piano. Unfortunately Miss Nicholls is leaving this wonderful school we all say a pleasant goodbye and a happy half term.

In swimming, in the low group we learned how to do a rocket and it was super fun. In the high group, they learned how to do a pencil dive. We all did a perfect dive at the end of swimming. It was really fun! *By Mark and Kassem, have a wonderful half term see you all in back to school!*

SPECIAL DATES

- 24th- 29th Oct- Half term break
- 31st Oct- IN-SET day for staff

Emily YN "We read the book called 'Winnie Under the Sea'. Its about Winnie the witch. She uses magic."

Year 4's Blog

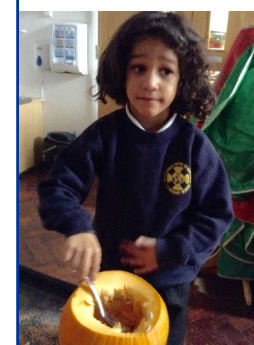

Welcome to our super blog!

In English we have been learning explanation texts. We looked at some art books that explain about different techniques. There are other books like Science book and information texts and non-fiction texts that have explanation texts. They include introduction, paragraphs, bullet points, subtitles and summery at the end.

In Maths we are comparing four digit numbers. We put the signs 'greater than' and 'less than'. We also solved word problems.

In Science we did a Big Write about the digestive system. We wrote about the different stages of the digestive system. Then we wrote the order in which parts of the digestive system reaches food. First is the mouth then oesophagus third is the stomach and then the small intestine and the large intestine. We then wrote captions to the digestive system experiment pictures we had done. Then we compared the white and the black Rhinoceroses. Did you know that the white Rhinoceroses is heavier than the black Rhinoceroses and also the black Rhinoceroses is not actually black?

In DT we have nearly finished our money bags. We just have to do some finishing touches like sewing on the button. We also discussed about our money bags using new words such as whip stitch, running stitch, raw edges, economical and template. *By Eliza and Oliver*

Nicola YR "We scooped out pumper seeds from the pumpkin. We also learn about other pumpkins like squash."

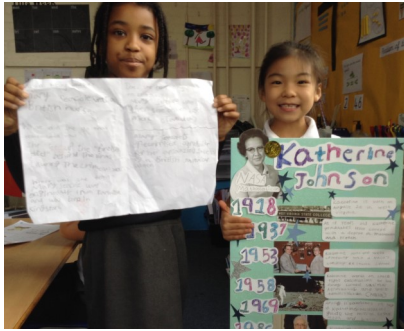

St Cuthbert with St Matthias CE School

"I've failed over and over and over again in my life. And that is why I succeed." Michael Jordan

Layla Y3 "In English we are creating our own humorous poems. Its called *The Sea Creature Ate My Teacher*. We also drew the sea creature in our books."

Soriyah and Chiharu with their detailed posters about their favourite Scientists.

Year 5's Blog

Greetings, welcome to Year 5's spectacular blog!

In DT we were planning on how to make our moving toy, we followed steps on youtube on how to make a moving toy. We were making a cardboard windmill toy. To make the toy you will need a hot glue gun, doweling, cardboard, marker pen, sharp knife, scissors and a straw. We also did a diagram on how to plan our toy. We also split into groups so we could make our moving toy, our plan was to make a moving toy at home and one at school with one or two of our peers. In my (Aisha) group I was with Andy and Giya, and for me Nahom, I was in a group with Ammar and Cristian.

In Math we were learning about the bus stop method to help strengthen our test results. Also we were learning about subtracting and adding with fractions. We then revised our times tables because we were struggling understand them off by heart. Finally we did reasoning and we also did some golden challenges that Miss Putterill assigned us to do.

In Spanish we learnt about hair and physical appearance. We also learnt about what people wear or have on the body. Here's what I (Aisha) wrote: Tengo el pelo negro, corto y rizado [I have black, short and curly hair.] Llevo hijab y gafas [I wear hijab and glasses]. We also had to draw a picture and label it with the different features we have.

In English we continue to revise on what we have been learning this term. We concentrated on pronoun adverbs and verbs. *By Aisha and Nahom*

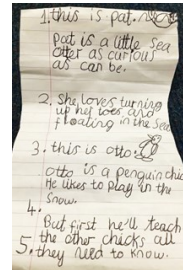

HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

With sunny days and vibrant autumn colours under foot, we have been enjoying an opportunity to have tidy-up-the-garden-and-planting time outdoors lately! Indoors, despite the prospect of an imminent holiday, we have witnessed top-class learning in books, project work, enrichment tasks, and in music lessons. Well done to Yusuf in Y4, for an excellent extended write in Science, to Lillymae and Sara (y5) for their Person of the Term home-learning posters, to Judah and Dani (Y6) on their skilful Blues performance, to Neimah and Malak in Y3, for creating their own poems at home, and to Mehdi (Y5) for his creative and skilful origami crafting.

In Collective Worship recently, we have been thinking about the phrase 'nurturing each other to learn and flourish' which is part of our school vision, and how excellent to showcase evidence of our pupils flourishing in both their school and home learning!

As we head into our half term, we wish the children good times with their holiday packs, energy for their 'Explore a Park' project - and even some rest for battery recharge.

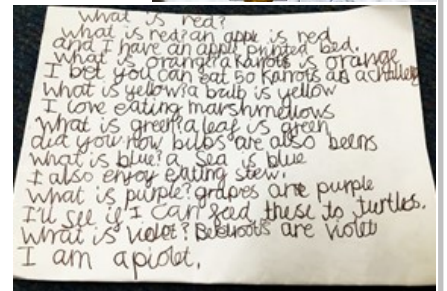

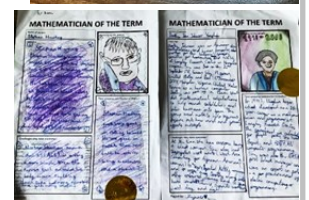

And for parents, these websites might be helpful aides during the week:

<https://login.mathletics.com/>

<https://www.lexiacore5.com/register>

<https://www.storynory.com/>

Before closing, we sadly say good bye to two staff members who are heading out along new and exciting pathways in coming days...Thank you to our Miss Nicholls for all you have done to inspire our pupils to love music over past years. We wish you all the best for your journey ahead. A huge good-bye as well to Mr Reid (Anthony), who will be venturing along a new career path. Thank you for your energy and commitment to St Cuthbert children over many years. We will all miss you both, but know you will pop back to check on us before too long!

And now after so much chatter, it is holiday time, and we wish you a very happy and enjoyable break. See you back in school on Tuesday 1st November for autumn 2 half term.

With best wishes,

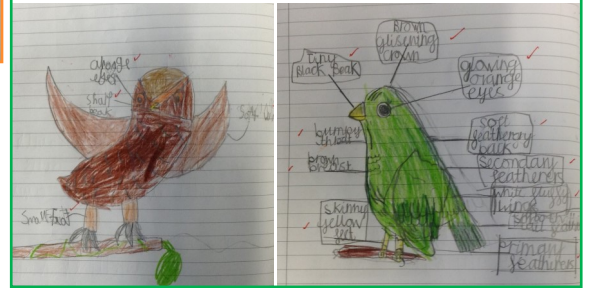

Miss Putterill and the St Cuthbert Teaching Team

Sizar Y1 "In Maths we created an addition fact family. Then we partitioned numbers in different ways. E.g. 12 can be partitioned in this way 1+11, 2+10, 3+9, 4+8, 5+7, 6+6."

Nursery's fantastic pumpkins.

Year 3's amazing birds described using noun phrases.

Sofia Y1

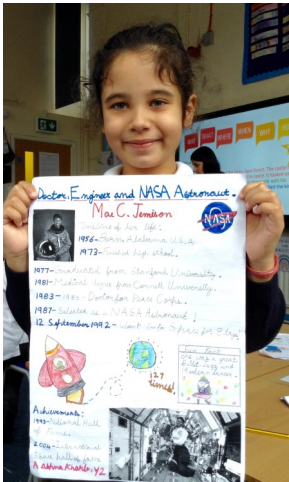

"In English we are telling a story about 'Trixie and Nuffle Bunny'. We wrote the story in the right order using words first, next then and finally."

Tala Y2 made her beautiful pumpkin during junk modelling class.

Neimah Y3

"In English we are learning about noun phrases. They are group of adjectives that describe a noun. E.g. a scary fury fox. We then drew a bird in our books and described it using noun phrases."

Aashna Y2 "I made a poster of Mae C. Jemison who is a Nasa astronaut. I did a time line of her life. She went to space for eight days. Mae was also a great Jazz, ballet and modern dancer."

Reem from Nursery made her lovely autumn wreath with a little help from mummy.

Chichi and Mesbah from Year 2 with their incredible Mini-beast project.

Good Samaritans

This week our Good Samaritans are Miss Nicholls and Mr Reid for supporting children with Music and PE lessons. Thank you both!

INFLUENCE THE FUTURE OF THE EARL'S COURT EXHIBITION CENTRE SITE

Speak to Council officers about the priorities for redeveloping the vacant site where once stood the exhibition centre on Thursday 03 November, 4.30-7.00 pm, at St Cuthbert with St Matthias Primary School. This drop-in event is open for all and there is no need to sign up, just turn up on the day.

Second hand Uniform Sale

Second hand uniform is available to buy. Please pay via Pay360. You will need to provide proof of purchase (email confirmation) to the office on Wednesday afternoons. Please be aware that we can only sell items that have kindly been donated to us. So stock might be limited. Thank you.

This Week's

Class	Attendance
Y3	98.3%
Y2	97.0%
Y4	96.5%
Y1	93.9%
Y6	93.8%
Y5	90.5%
YR	90.4%
YN	87.4%
Total	93.4%

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE
WEEK**

Congratulations to you all!

- YN Mason For using his words to communicate and for improved listening skills on the carpet.
- YR Eleanor For being a consistent role-model to our new friends who have joined term.
- Y1 Kylo For being determined and showing enthusiasm throughout lessons.
- Y2 Tala For always helping everyone in class and being eager to learn.
- Y3 Lias For a thoughtful discussion about weight.
- Y4 Yusuf For using a very detailed description about the digestive system.
- Y6 Simeon For making steady progress in Maths with support from Ms Butters.

**HOME LEARNERS OF THE
WEEK**

Congratulations to you all!

- YR Leo For going above and beyond in homework club.
- Y1 Haider For showing fantastic progress in phonics.
- Y2 Chiharu For a very detailed poster about the Mathematician Catherine Johnson.
- Y3 Malak For writing full sentences when answering questions.
- Y4 Elyaa For creating an amazing Science project.
- Y6 Judah For tremendous amount of effort and time spent on his DT project on chairs!

**Music Maestros
this week:**
Mehdi and Sara H
from Year 5.

DOUBLE PARKING
Please can parents respect our request not to double-park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.

Notice Regarding Clubs
Parents are welcome to register for after school clubs from the first day of the new term where spaces are available. Please note football, homework and athletics are full.

Puzzle time

DIRECTIONS:
Find and circle the vocabulary words in the grid. Look for them in all directions including backwards and diagonally.

Werewolf
Word Search
