

Loving one another. Learning for our future.

'Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Year 6's Blog

Hello and welcome to OUR LAST EVER BLOG in Y6. Pleeceeeeee will you enjoy reading. So let's kick off the final blog of St Cuthbert with St Matthias from this.

Our Last Activities

On Monday we had our last ever Spanish lesson. What happened was Ms Calero gave each child a certificate which either had a chocolate (Celebrations) for the boys and a different gift for the girls: they got different types of rubbers shaped like other things. Last week you may have heard of the jungle that we built at the back of the classroom..

Well, after we had taken a few photos, we took it all down (took it down is a nicer way of saying we DESTROYED it) so we could have our classroom back!

On Tuesday we were discussing British Values and then we did Mathletics. Then on Wednesday we had PE and then watched the films Daddy Day Care and Spirited Away. On Thursday we had a class party and it was mega fun. Throughout this week we have been rehearsing for our end of year play like crazy and we finally did it today at 10am and it went really well and the parents loved it. We are sad to be leaving and we hope we will enjoy our graduation.

Have a lovely summer!

by Judah and Aiden.

HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

As we say farewell to 202-23 academic year, it would be excellent for us to reflect on our journey along the year, giving thanks for those who have nurtured us and those who have inspired us. On behalf of the St Cuthbert pupils, I would like to say a warm and gigantic THANK YOU to our teaching team for the love, dedication and energy that they have given to our pupils. They are fully deserving of their respite weeks ahead!

Another word of thanks to our families for supporting us as we work together to inspire our pupils to love learning and make sound progress.

And here is a perfect place to add in another special mention: this time to our volunteer readers and volunteer helpers. Thank you for all the hours spent across the year supporting our pupils to love learning and do well. We value all this support greatly!

To our Y6 class of 2022-23, we say WELL DONE on your great achievements this year. You are moving on along your learning journey and we wish you all the best for your path ahead: flourish in all you do and nurture others along the way, remembering our values of kindness, compassion, thoughtfulness, courage and friendship. Continue to be the Good Samaritans you have been in St Cuthbert's and you will shine brightly in our world. And our world needs brightly shining superstars!

To those moving on to new horizons, thank you for journeying with us this far, and we wish you well in your new settings.

To those returning, we wish you a restful summer holiday, and look forward to seeing you safely back with us in September!

With best wishes, Miss Putterill

**May the road rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rains fall soft upon your fields,
And until we meet again,
may God hold you in the palm of his hand.**

Year 4 Blog!

Welcome to our flabbergasting blog hope you all enjoy it!

In English, we wrote our own poems based on a story. I [Leyon] wrote about the story called A Flooding City. I [Gabriel] wrote a poem called Flying Feelings. I [Oliver] wrote a poem called Animals.

In Maths we continued to learn about time. We also learnt about Hours, Minutes and Seconds. Our teacher gave us questions for example 1 day = 24 hours, 3 hours = 180 minutes, 60 minutes = 1 hour.

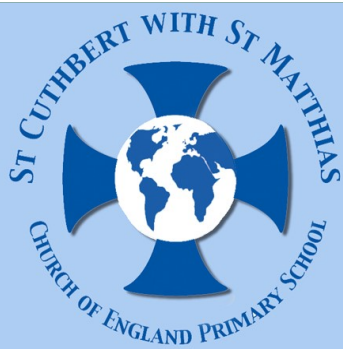

TRIP TIME! In our trip we went to Holland Park. I [Leyon] went on the crowded swings, I [Gabriel] played on the monkey bars and on the Giant swing. I [Oliver] played football with the boys and I was playing with Eliza. After we left, we saw King Charles III and he waved to us and that was so crazy that we saw him!
