

Loving one another. Learning for our future.

'Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Living our Vision

14 October 2022

Year 6's Blog

Welcome to Year 6's blog!

In our English lesson we were learning about formal and informal language. We received a sheet to complete and we had to fill a table and matching the informal and formal words. After, we had some sentences about War Horse and we had to find the formal version of the original sentence.

In Maths we were going over long division. After, we completed the equation we received a challenge to fill out. We mainly focused on assessments.

In RE we wrote a reflection on our lessons. We were discussing about what happens after death and if there is life after you die. We read a chapter of the Bible. We recreated the Good Samaritan story and acted them out after the rehearsal. If you aren't familiar with the story this is what it's about it's about a man traveling to another town but a gang of thieves attack him and they took all his belonging and clothes. The thieves left him on the ground. A priest crosses by him and just passed by and felt him. Finally a Samaritan spotted him on the ground and helped him up. He took him into an inn and he said he will pay for him when he comes back. Then he was known as the Good Samaritan.

In our Science lesson we were learning about drugs and what they are used for. After that discussion, we created a poster in our books. We wrote about what they do to your body and if they can be used for good or can be harmful.

In Earth Hour we were learning about wax worms and wax moths. A worm's saliva can degrade certain types of plastic. Wax moths can be and can't be helpful because they attack honeybee hives. Wax worms develop into wax moths. Their drool can break through tough and durable materials.

By Imogen and Arisema

SPECIAL DATES

- **24th- 29th Oct- Half term break**
- **31st Oct- INSET day for staff**

Henry YN "I learned how to use scissors this week."

Year 5's Blog

Welcome to our terrific blog!

This week in English we learnt about the Wax Worm. The Wax Worm is a worm that has a unique nature that is fascinating. Its saliva can break down a tough plastics such as polyethylene which could eventually help with cleaning up the environment. In our mind map we wrote facts about the Wax Worm like: it was the Spanish researchers who found out that 1 hour's exposure to its saliva will degrade as much as a year's plastic.

In Maths we are focusing on revising for our assessments. We mainly did mental arithmetic's, column method and the bus stop method. Miss Putterill gave us golden envelopes with different challenges inside, which was exciting!

In RE we continue to learn about Jesus's miracles. We looked at the woman who touched Jesus's garment and was healed and the feeding of the 5000. We then answered some questions like; "What miracle surprised you the most? What miracle do you think told you the most about who Jesus is?"

In Science we made potato soup. First we wrote the recipe and method. After in our next lesson we made the soup. It took us far longer than the recipe said. At the end we sat down at the KS1 playground benches and enjoyed it very much! Well most of us did!

In DT we wrote a step by step instruction on how to make a windmill. To make a windmill you will need: a cam, follower, scissors, cardboard and cellotape or a hot glue gun. *By Cristian and Mehdi*

Leo YR "I put eight bats on the tree branch to match the number."

St Cuthbert with St Matthias CE School

"You can always, always give something, even if its only kindness!" Anne Frank

Sonia Y2 *"In English we are learning about punctuations. We put capital letters, commas and full stops. We also form nouns with suffix like ness, ment and full."*

Year 4's Blog

Welcome to our amazing blog!

In English we are learning about poems, in case you didn't know. We just read one called Storm. The previous four are called; I Did No Eat the Gold Fish, Mother Doesn't Want a Dog, Toby and My Dog. We were also doing comparisons of themes, schemes, analogy, rhyming couplets, alliteration and repetition and more...

In Maths we are doing number lines and counting to do rounding up and doubling. We did a few questions about 1000 more or less. The top group did more challenging questions.

In Science we continue to learn about the digestive system. We already made posters and 3D models as a project on the subject. On Thursday we conducted an experiment on how food is digested in our digestive system. First Miss Martina mixed food on a bowl. Second it went into the stomach (the plastic bag). Third I went into the small intestine (beige tight). Fourth drained the orange juice (the nutrients from the food). Then she took two paper cups and made a hole in the second cup. Finally Miss Martina put the mixed food into the second cup and pushed out the food with first cup.

In DT we continue to work on our money container. We got to attach pins on the fabric to keep it still before we started to sew. We then continued to sew. Next week we will decorate our money containers. *By Adan and Lewis*

HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

National Poetry Day last Thursday gave us all a wonderful opportunity to set our minds and fingers to a rather challenging activity. Amazingly, there were some incredible results! Well done to Y2 pupils on creating their loom masterpiece which stands proudly in our school corridor, and here is their beautiful autumn poem:

Red leaves are the colours of strawberries.

Yellow leaves the colours of bananas.

Orange leaves the colours of tangerines.

Brown leaves the colours of chestnuts.

Green leaves the colours of kiwis.

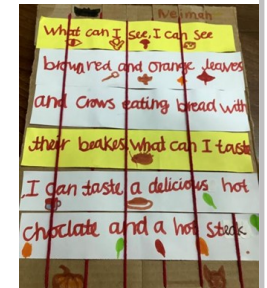

These are the colours of autumn.

I have also noticed, from some equally masterful creations in all year groups, that we have some other talented poets in our school. Here are just two of the many, and well done to Lillymae (Y5) and Neimah (Y3) for the thoughtfulness they have taken in creating such special poems, and looms!

Just before closing, I would like to showcase some home learning that has been shared with us today. Well done to Ola and Aashna (Y2) for their superb creations!

And now, we wish you a restful weekend,

Miss Putterill and the St Cuthbert Teaching Team

Good Samaritans

This week our Good Samaritans are Lea, Imogen and Judah from Year 6 for their enormous effort to raise money for new sports equipment for our school. They raised more than £50 by selling cakes, sweets and drinks after school. Well done!

Year 1 children and Miss Julie *decorating an ice cream van after building it out of cardboard.*

Malak Y3 "In English we are learning about instruction in a sentence with bossy words. E.g. Mix the eggs and the flour together."

Mesbah Y2
"In Maths we are learning to take away and add 1s. We also did 2s and completed some word problems."

Raphael Y1 "In Maths we have been putting numbers in the right order. We also sorted numbers from largest to the smallest."

Beautiful display of classical music posters full of facts on various talented composers.

Lias Y3 "In RE we wrote what we did in the church. First we walked to the church to celebrate Harvest Festival. Then we learnt"

This Week's Attendance

Class	Attendance
YR	98.6%
Y4	97.4%
Y3	96.5%
Y2	95.6%
Y5	95.0%
Y6	91.6%
Y1	91.2%
YN	89.0%
Total	94.4%

Reception children planting carrot seeds in our garden with Miss Stephanie.

Arenc Y1 "We planted some bean seeds. We put soil in small cardboard cups. We watered them. They are already sprouting."

Second hand Uniform Sale

Second hand uniform is available to buy. Please pay via Pay360. You will need to provide proof of purchase (email confirmation) to the office on Wednesday afternoons. Please be aware that we can only sell items that have kindly been donated to us. So stock might be limited. Thank you.

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE
WEEK**

Congratulations to you all!

YN	Reem	For becoming confident and sharing her thoughts on Autumn and making new friends.
YR	Sophia	For being a compassionate and supportive friend to another friend during phonics by showing them how to form the sounds.
Y1	Raphael	For persevering in phonics lessons.
Y2	Ezar	For continuously working hard in her spelling tests.
Y3	Ayo	For sharing amazing facts about ostriches in Science.
Y4	Rayan	For solving a very tricky word problem.
Y5	Ethan & Aisha	For preserving in Maths and always showing respectful behaviour and writing beautifully.
Y6	Aiden	For his thoughtful and innovative contribution in class.

**HOME LEARNERS OF THE
WEEK**

Congratulations to you all!

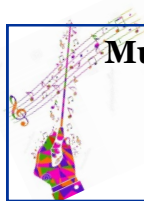

YR	Yafet	For showing real inquisition in his learning this week by asking lots of thought provoking questions.
Y1	Joana	For applying her lovely handwriting across all her learning.
Y2	Aashna	For completing high quality homework.
Y3	Mariatou	For competing her homework to a high standard.
Y4	Mark	For writing lots of detailed facts on his Science project.
Y5	Jasmine & Sarah H	For their wonderful Mental Health poster.

DOUBLE PARKING

Please can parents respect our request not to double-park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.

**Music Maestros
this week:**

Cole Y5

Tidy Teds

**Tidy Teds were
awarded to Nursery and
Year 5 class this week.**
