Year 6's Blog

In Maths this week we have been learning about Range, Mean, Mode and Median. Mean is when you have to count how many numbers you have and you add them altogether and divide by how many numbers there are. Range is to put them in order from smallest to greatest and then subtract them to find the range. To find the Mode you put the numbers in order and choose the number that appears the most frequently.

This week we have been writing our Autobiographies. We have been thinking about dates linked to significant events-ordered chronologically. We wrote in the first person (past tense). We have included details about our school, family, friends and hobbies; including what we get up to in our outside of school life! Don't worry we haven't told any secrets...

In science we learned about sorting living things out and Variation and Classification. We also recapped our knowledge of Vertebrates and Invertebrates. Vertebrates are animals or creatures with a backbone for example Fish, Amphibians, Reptiles, Birds and Mammals. We also talked about the different Mammals out there.

By Edi and Ahmade

SPECIAL DATES TO NOTE

- **Half term break begins on 12th February**
- **New term begins on Monday 19th February**
- **Parent Meetings week of 5th March**

Malak YN, *"We made a Chinese dragon from paper plates and decorated it. We went thought the school to show everyone."*

Nursery made dragons for Chinese New Year and paraded around the school to show everyone.

Year 5's Blog

This week we have been doing assessments . spelling , maths , English ,gramma and reading .

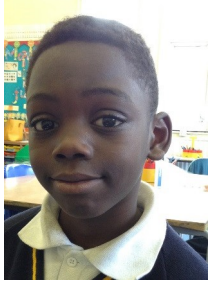
We have been fraction adding and subtracting by the same denomitor and a different denomitor. We tried mixed numbers which is whole number with a fraction next to it and also we have tried taking away improper fractions which has a bigger number on the top and the bottom number is smaller .

In English we have been learning about poems and we even acted to Valerie Bloom po-ems and watched two videos of her. One of them was funniest because she said KIS-KOPOP and the other was about a ship. Also we learned about a poet named Pie Corbertt .

In Topic we have been learning about Maya Civilisation that was founded in 200BC and in 1839 by JONH Llony STEVES. They also studied astronomers [space]. In their religion they believe in more then one god, they speak egipigian language.

By Karolina and Auriza

Tanisha Y1, *"I like special play and lunch time."*



Erick Y2, *"In Maths we learnt about fractions and how many there are."*

PTA Announcement

Come join us for coffee mornings which take place between 9-10am, fortnightly on Thursdays and are held in St Matthias House. Next meeting is on February 23rd at 9 am.

"You can find magic wherever you look. Sit back and relax, all you need is a book."

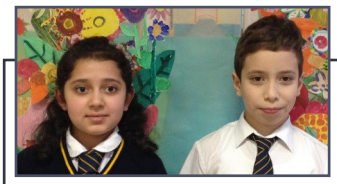
Dr Seuss

Nadia Y3, *"We went to the V&A and made our own sketch books. An artist called Dan helped us to make it. We then walked around in the Museum and drew what we saw. "*

Alan Y1, *"In English we have been learning about the Chinese New Year . We made decorated paper from glue, paper, glitter and water , we then pressed them to make paper."*

Tristan Y3, *"We looked at artefacts from the Roman times and also we learnt about Roman numerals."*

@SCwSMPrimary



Year 4's Blog

This week in Maths, we have been putting our knowledge to practise by having our maths assessment.

This week in English, we have been focusing on SPAG (spelling, punctuation and grammar) assessments and reading assessments – we had a recap of our assessment answers such as how to find a plural possessive apostrophe e.g. the boys' team won the match.

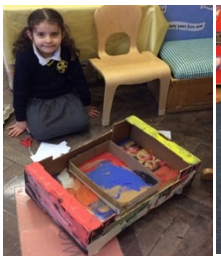
We have been practising for the Y4 assembly on Friday. Our assembly will be about what we did in the V&A (Victoria and Albert museum), like exploring spaces, making sketchbooks and looking at the relationship between architecture and light.

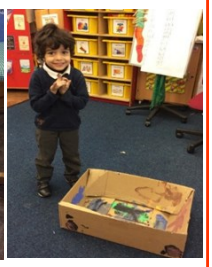
In P.E, we have been playing guess who and the rules are: there is a leader and 2 detectives. People have to copy the leader and the detectives have 3 guesses to find out who the leader. *By Omar N and Zahra*

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

Aside from the annual winter flu 'bug', I think that a love of cardboard boxes is fast becoming contagious in St Cuthbert School. How lovely it was to be invited into reception class on Wednesday afternoon to see a buzz of creativity - all to do with cardboard boxes! House cars, Ferraris, cots, space crafts – reception class was a zone of creativity and exciting conversation all afternoon! These smiling faces are the tell-tale signs...





This past week our children have been sitting assessment tests and I imagine their eyes may be a little tired of looking at text-laden A4 sheets, so with each picture telling a thousand words, I thought sharing picture news of our learning (away from our classroom desks) could be a good idea!

Here are photographs of our Y3 children having fun modelling their Greek clay pots and our Y3 and Y4 children at the V&A during their recent Door to Design workshops.

To sign off, and in the words of Tariq (Y4), 'Let's take a moment to think about peace.' Yesterday, after listening to the words of 'Make me a Channel of your Peace', Y4 children designed their own peace symbols and explained why they chose their symbols:

'I think my brother is peaceful because every time I'm sad he always cheers me up and every time I'm lonely he plays with me.' Mohamad H

'This symbol is meaning peace because the bright colour is meaning it's the wand of light.' Malak

'My symbol is to remind me to be peaceful and kind.' Oumar

'I chose the Olympic symbol because it represents everybody coming together.' Omar N

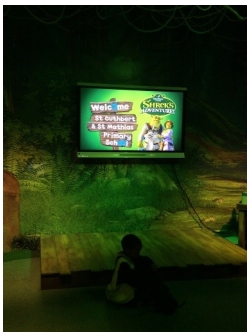
We wish you a happy half term break!

Gill Putterill and the St Cuthbert Teaching Team

St Cuthbert's Book Club presenting and discussing books in our library.

Our fascinating display of inventions from all classes.

Rhys Y2,
"In English we have been learning about monster and dinosaur poetry."



This week Reception Class went on a trip to see Shrek.

David YR,
"Yesterday we went to see Shrek, on the way we saw the London Eye and the Big Ben. Then we saw Shrek, but he didn't talk just smiled."

Earls Court Farmers' Market

Earls Court Farmers Market open on Sundays at our St Cuthbert's with St Matthias School.

Every Sunday 10am-2pm

The freshest, most seasonal produce direct from the farm, fishing boat, bakery or dairy. Every Sunday come and shop, meet your friends and neighbours. The farmers market is the friendliest place to shop, try something different, talk to our farmers and fishermen, see what they recommend for dinner! Bring the whole family.
Kids love farmers markets too.

STAR LEARNERS OF THE WEEK

Congratulations to all of you!

N	Cristiano	For recalling the story of the 'Chinese New Year'.
R	Sara H	For her brilliant listening and being sensible on our trip.
1	Rosie	For fantastic learning in Maths.
2		
3	Eglal	For creating her own book.
4	Dana	For giving 100% in her assessment.
5	Solomia	For amazing topic work and focus.
6	Baqher	For demonstrating the ability to fully focus on Assessments.

ST CUTHBERT WITH ST MATTHIAS CHURCH OF ENGLAND PRIMARY SCHOOL

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.
