Year 6's Blog

Science

In Science, we have been learning about pulse rate-which is your heartbeat per minute. We had an experiment to measure our pulse so we knew our heart rate under various conditions: we did this when we were resting, straight after exercise and a minute after exercise.

Additional to the hard work in Year 6, we have had assessment week for the fifth time. So far we have done 2 reasoning papers, an arithmetic, a spag test and a reading test.

During English, we have been discussing if graffiti is street art or vandalism with Miss Putterill. We will be writing a report about Year 6 doing graffiti in Earls Court Station and we will be writing another report complaining about year 6 doing graffiti in Earls Court Station.

By Demka and Baqher.

SPECIAL DATES TO NOTE

- **Polling Day 3**
May school closed to children
- **Class photos**
Wednesday 25th May

Edora YN, “We read a book called ‘Jack and the beanstalk’. Then we planted beans in our class.”

Year 4's Blog

On the first day of school year 4 were very tired because we all had a long holiday. However, we quickly became very excited because it was our first swimming session! Later that day, we learnt about E-safety which is about how to stay safe online. These are some important rules that you should always follow: make your password hard, if someone is rude online tell an adult and report them, don't talk to people you don't know, don't tell anyone your address, don't open an email from a stranger, use privacy settings on social media, don't click on pop-ups and don't share you location on apps.

In English we started a new topic where we are focusing on Ted Hughes' ‘Iron Man’. We made predictions of what might happen next and thought of questions we would like to find the answers to. We used all of the rich descriptions we heard to illustrate the Iron Man in our sketch-books. In maths we learnt about how to find the perimeter of rectilinear shapes.

The best part of our week was when we went to a classical music performance from the Czech National Symphony Orchestra. We enjoyed practising our conducting skills from our seats!

In RE we used watercolours to decorate our own hand prints to show the significance of family for Hindus. We learnt key vocabulary such as: intergenerational and puja (worship).

By Oumar T. and Wilson

Giya YR, “We read a book called ‘Super Hero ABC’. Then we made up our own super heroes and our powers.”

Dina our dinosaur was made by Reception class and is now living at our main entrance by the school reception.

This week's King and Queen of Year 3 are **Noah Z.** and **Nadia** for always doing the right thing by following the 4C code.

PTA Announcement

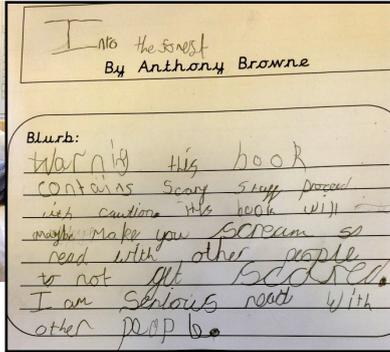

Come join us for coffee mornings which take place between 9-10am, fortnightly on Thursdays and are held in St Matthias House. Next meeting is on May 3 at 9 am.

“Success is the sum of small efforts, repeated day in and day out.”

Robert Collier

Rhys Y2, “In English we read from Antony Browne and wrote our own blurbs.”

Serena Y1, “In English we wrote a letter to Miss Peach. The letter has to contain capital letters, punctuations and conjunctives.”

Amilia Y3, “In PHSCE we have been learning how to be safe when using the internet.”

Year 5's Blog

In maths we have been learning about angles. We learned that there is an acute, right, obtuse and reflex angles. We also estimated and measured the angles and we learnt that an acute angle is less than 90 degrees, an obtuse angle is bigger than 90 degrees but less than 180 degrees and that a reflex angle is bigger than 180 degrees.

In topic we have been learning about rivers. We looked for all the rivers that are in the United Kingdom. Here are some of them Spey, Tweed, Clyde, Bann, Tyne, Mersey, Trent, Conwy, Severn and Thames. We discovered that rivers lead to the oceans and seas and evaporate under-ground. *By Auria and Ranya*

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

The summer sunshine has painted the most spectacular smiles on to St Cuthbert faces this week and has helped us all to begin our summer term with a bounce in our step! Cheerful laughter from children, dazzling sunglasses covering adult eyes and blue skies above London brought a cheery atmosphere to our playground yesterday afternoon at pick-up time!

Earlier this week, our staff team started their new term with Emergency First Aid training during the Monday INSET day, and more safety awareness is planned for this term with another focus: Online Safety. While the World Wide Web brings us fantastic daily opportunities, it additionally has its perils. We will be continuing our Online Safety awareness sessions during circle times in classes when children role play (with adult guidance) experiences and scenarios they may meet online. We will also be holding parent workshops later in our term, and in offering a variety of time options, will request attendance by a member of each family in our school at these meetings. Further information will be available for diaries in coming weeks. The NSPCC brochure you receive with the newsletter today we hope will offer an ideal opportunity for you to discuss the Online Safety issue with your children. Thank you in advance for supporting us with this initiative.

Moving from online courtesy to corridor courtesy, I would like to share with you that one of the most sought-after positions in our school - in younger classes - is the 'door-stop' or 'door-dude' role. As classes pass through doors (of which there are many along our corridors), the children enjoy sharing the 'door dialogue':

Child: Thank you (name of child)

Door-stop: You are welcome!

Luckily, I also get to do 'door-dude' duty each morning when I take up my post at the entrance door to our school to ring the bell. And this week, I have once again had my turn to share the 'door dialogue' as rows of children have passed by me remembering their 'thank you' manners, despite a two week holiday. Thank you St Cuthbert children for remembering to use your 4C code once again - we are proud of you!

In closing, I would like to share a few snapshots of school life this week: musical instrument projects coming into school; a PE lesson out in summer sunshine yesterday and a Peace Symbol Tree, reminding us of the importance of being channels of peace in our world!

Till next week,

Best wishes,

Gill Putterill and the St Cuthbert Teaching Team

 @SCwSMPprimary

Judah Y1, "In Maths we are learning how to group numbers in order to add or subtract them. We also drew our school on a sunny day."

Year 1 produced some lovely drawings of our school this week.

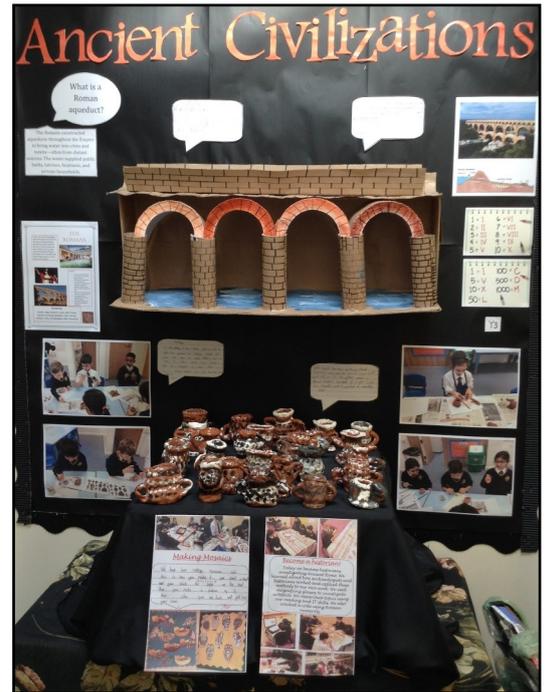

Arianna Y3, "We have been learning about measuring and what instruments to use for different objects. For a crayon we use a ruler but for a house we use a measuring tape."

came to take part in an assembly presentation today showcasing the work and the light boxes the children have made.

Y3 and Y4 children have been working with The V&A on a Door to Design project. Dan and Kate, who led the project,

Year 3's incredible display of ancient civilisations.

Earls Court

Earls Court Farmers' Market open on Sundays at our St Cuthbert's with St Matthias School.

The freshest, most seasonal produce direct from the farm, fishing boat, bakery or dairy. Every Sunday come and shop, meet your friends and neighbours. The farmers market is the friendliest place to shop, try something different, talk to our farmers and fishermen, see what they recommend for dinner! Bring the whole family.

Kids love farmers' markets too.

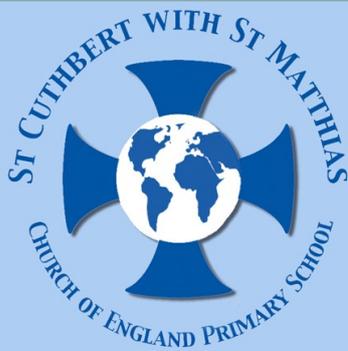

STAR LEARNERS OF THE WEEK

Congratulations to all of you!

Certificates to be given out on Monday's Assembly

N	Elyaa	For demonstrating good behaviour towards her peers and with adults.
R	Mohamed	For learning all of his 3D shapes.
1	george	For writing a letter independently.
2	Rhys	For writing an excellent blurb for an Antony Brownes book.
3	Amalia	For sketching beautiful flowers on our trip.
4	Kim	For her fantastic guitar project made in the Easter break.
5	Ayesha	For settling in really well on her first week.
6	Andi	For working hard during boosters.

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

After School Club Calendar

Monday	3:40-4:30 Athletics Club KS1 & KS2 3:40-4:30 Expressive Art KS2 3:40-4:30 Sewing Club KS2
Tuesday	3:40 -4:30 Karate Club KS1 & KS2 3: 40 -4:30 Gardening Club Rec, KS1 & KS2
Wednesday	3:40-4:30 Homework Club Years KS2 3:40-4:30 Football Club KS1 & KS2 3:40-5:30 Cooking Club KS2
Thursday	3:15-4:15 Homework Club KS1 3:40-5:30 Cooking Club KS2 8:00am-8:40am Judo Club KS1 & KS2 3:40-4:30am Judo Club KS1 & KS2
Friday	3:40-4:45 Art Club KS1 & KS2 3:40-4:30 Construction/ Chess Club KS2 3:30-5:00 Police Cadets KS2 3:40-4:30 Alliance Club Yr5 & 6

This Week's Attendance

Class	Attend
Y5	97.0%
YR	96.7%
Y1	96.3%
Y4	94.6%
Y6	92.9%
Y3	91.1%
Y2	89.2%
YN	88.2%
Total	93.0%

Notice to Parents

Summer hats available at school uniform shop, as well as summer dresses.

Well Done!

Tariq Y4 and Lucas Y4 for getting the right answer for last week's puzzle.

Prayer Meeting

We would like to welcome all parents to share our Thursday morning assembly with us. This assembly is led by Fr Paul and a selection of children (from a different class each week) and takes place from 9.00- 9.15. Please see Miss Putterill if you would like any further details.

Missing Number Puzzles

These puzzles are tricky!

Use 1 through 4 to finish each equation. Use each number only once.

Each column is a math equation. Each row is a math equation.

HINT: Multiply BEFORE you add and subtract!

1.	<table border="1"> <tr><td></td><td>+</td><td></td><td>4</td></tr> <tr><td>+</td><td></td><td>-</td><td></td></tr> <tr><td></td><td>x</td><td></td><td>8</td></tr> <tr><td>5</td><td></td><td></td><td>-3</td></tr> </table>		+		4	+		-			x		8	5			-3	2.	<table border="1"> <tr><td></td><td>x</td><td></td><td>6</td></tr> <tr><td>x</td><td></td><td>+</td><td></td></tr> <tr><td></td><td>-</td><td></td><td>-3</td></tr> <tr><td>2</td><td></td><td></td><td>7</td></tr> </table>		x		6	x		+			-		-3	2			7
