Year 6's Blog

In Science we have learned about red blood cells, white blood cells, plasma and platelets. Red blood cells can also be called Erythrocyte and they carry oxygen all through your body and also they are shaped like a doughnut but do not have a hole.

White blood cells make up 0.5% of your blood but are just as important and they also stick together to form a scab over a cut! Did you know plasma is 55% of blood; it also gets rid of waste in the body!!! Platelets are also 0.5% of the body and are 20% of the diameter of red blood cells.

In Maths we have been learning how to find the common factor of 2 numbers, for example, 24 and 36 factors are (1,2,3,12,4,6,8) and the factors of 20 and 30 are (10,5,2,1). Also we have been learning about long division like 4241 divided by 57!!! We have also worked on work sheets with really hard equations such as $85.39m = 853.9mm$ and $65\text{ kg} + 30\text{ kg} = 95\text{ kg}$.

In English we have been doing poems about Remembrance Day with words such as crimson, bloom, inspiring, bleeding, growing, crying, remembering, thanking, loving the dead and flower. That's why we should all remember the important people that died in the World War 1 and World War 2 and the people that died without a reason. So we should all be grateful we're alive and we still have our souls with us in our body. So say to your mum thank you very much for bringing us into this beautiful world and also be grateful for what you have.

In Spanish we had been learning about clothes, for example, corbata is tie in Spanish and camiseta is t-shirt and zapatos is shoes. Also we had been learning about colours such as rosa is pink, azul is blue, rojo is red and verde is green. And we have been doing some work about the Day of the Dead in Mexico and they put out candles, photos and food. Also they go to the cemetery to pray in front of their family that have passed away. Last week we looked at seasons and we had to write it in Spanish. *By Skye and Fatima*

SPECIAL DATES

- **Book Fair 26th-30th November**
- **Christingle at St Cuthbert Church, 14th December at 2pm, all welcome**

Codi YN, "I see fireworks from my window and painted fireworks in class."

Ren YR, "We learnt to count up to 30."

Year 5's Blog

This week in English Year 5 have been using the IPEELL structure (once again.) We took part in a speech text about why school uniform is a good idea. We also annotated the text and then put the text into the IPEELL structure. It

was incredible fun!

This week in Maths Year 5 have been learning about different factors for different numbers. Some of us were finding the factors of three digit numbers, whilst others found factors of two digit numbers. We learnt some key words which were: common factors and highest common factors.

This week in Science we have been learning about different forces. The main force we have been looking at is air resistance. We did an investigation and then had a competition, We made paper parachutes and flew them across the classroom to see how fast they could land. The winners were Elizabeth and Dion because their time recorded was 2 seconds!

This week in RE we have been focusing on wisdom. We learnt what wisdom is and where it comes from. We wrote a letter to our future selves to tell them all about the wisdom that we gained as a child. We enjoyed it very much! *By Inaya, Ahmed and Amina*

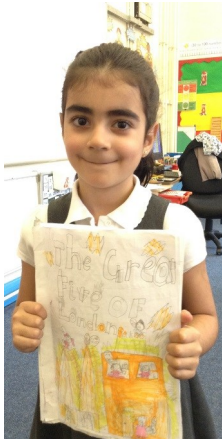

Andy Y1, "We have been learning about commands and we wrote our own commands on what not to do before we come to school."

"It always seems impossible until it's done." Nelson Mandela

Adnan Y3, *"In English we learnt about poetry. We then made up our own poems. Mine was about a dragon."*

Serena Y2, *"I wrote a booklet about the Great Fire of London in the half term break. It happened in 1666. I also drew pictures of the fire and people helping each other."*

Assia Y3, *"In Science we learnt about magnetic and non-magnetic materials. Coins are magnetic and paper is not."*

Our brand new Website is up and running. Please visit for more information.

St Cuthbert's Breakfast Club

Breakfast is the most important meal of the day so come and join us for breakfast at our school. The breakfast club has a variety of hot and cold breakfast. Children can play games, puzzles and read books afterwards.

Monday to Friday,

Time: 7:30-8:45, Cost: £1.75 per day

Time: 7:45-8:45, Cost: £1.50 per day

No need to book in advance. Just come in on the day and pay on line.

For more information speak to our receptionists.

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

It seems that our busy St Cuthbert fingers have been gardening on two fronts this week – both inside and outside. Our gardening club on Tuesday afternoon were clearing, watering, sweeping and snail-collecting,

while inside each of us has made a poppy for our Remembrance Walls.

Take A Moment

Time to reflect
All who have died
Know what happened
Everyone think about World War 1

Appreciate what they have done

Moments of the war
Our generation
Memories of loved ones
England in war
Now on your busy day think of them
To be thankful of those who sacrificed their lives
by Maya Y6

This week, as we Take a Moment in our busy days to remember those who have fought for peace, our Y5 and Y6 children have written Acrostic and Cinquain styled poems on our Remembrance theme. Some of these are displayed on our corridor walls, and I would like to share others with you in our newsletter this week:

We wish you a peaceful weekend,

Gill Putterill and the St Cuthbert Teaching Team

Poppies

ruby-red, fragrant
blooming, swaying, growing
but- spine-chilling message
they send
by Kate Y6

Poppy

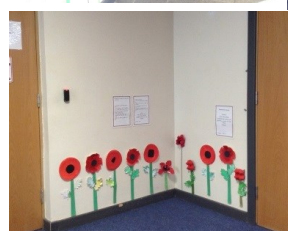

Poppy
beautiful, charming
growing, living, blooming
freedom
by Solomia Y6

Nursery's fantastic display of firework paintings done by the children.

Year Y4's painting for our 'Tales from our community' project.

Our Remembrance Walls decorated with poppies made by our children in each class.

Lauren Y2, "In Science we learnt about habitats and found out which animals live in what habitat. The polar bear and the penguin live in the Arctic and Antarctica. The lion and the elephant live in the grass-land in Africa."

Year 4's Blog

Today is finally the day it is my birth-day and we are going to sports direct. When we got there I bought my grey trainers. After that we went to the Evergreen Park to play some football before I had the grey trainers. Had yellow ones. Performed some very good skills when I played football for example. Some stepover 360s and rainbow flicks I beat every-one and I scored. A overhead bicycle kick it was a very special. One I was very nervous. Until I won a very important match. Very important match be-cause if you win your squad has won the title. My grey trainers are very comfortable because they have a sock Sticking out. I would love to train with Tot-tenham Hotspur in them I play with my dad in the evergreen park in my trainers and me and My dad pretend that we walk into a match as famous play-ers. *By Dominik*

Noor Y1,

"In Maths we learnt number bonds up 10."

STAR LEARNERS OF THE WEEK
Congratulations to all of you!

N	Zainab	For improved speaking in class.
R	Ren	For being extra helpful during tidy up time.
1	Ali	For amazing progress in his learning.
2	Tanisha	For sounding out her phrase 2 phonics sounds.
3	Amal	For excellent progress with her reading record com-ments.
4	Lanxin	For settling in so well and working hard to talk in English.
5	Elizabeth	For crocheting poppies for Year 5 in her own time.
6	Jad	For showing real insight and interest in working about blood.

Notice

All scooters must be padlocked at the scooter park. This will help them stay safe and will keep the entrance looking neat.

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

This Week's Attendance

Class	Attend
Y5	96.7%
Y6	95.6%
Y3	92.2%
Y4	91.9%
Y2	89.9%
Y1	88.5%
YR	80.0%
YN	75.9%
Total	89.5%*

* This week's low attendance is due to a high number of children being absent because of illness.

NOTICE TO PARENTS

Parking

Please may we remind parents not to double park opposite our school gate. Double parking here is causing a risk to the safety of our children.

Puzzle Time

Well Done Aaliyah Y5, Anna Y5, Fatima Y6 and Zahra Y6 for getting the right answer for last week's puzzle.

Adjectives Word Search

Find each adjective from the list in the puzzle grid.

BEAUTIFUL HOT QUIET SOUR SWEET
COLD LOUD ROUGH SQUEEKY UGLY
FLAT PURPLE SOFT STINKY YELLOW

Answer to the last week puzzle

Autumn Crossword Puzzle

Fill in the squares by following the clues.

Across

- Halloween month
- Red and yellow mixed together
- Fruit you bob for

Down

- You eat this on Thanksgiving
- They fall from trees
- Big orange fruit for pies

Unscramble the letters provided in the crossword to make another word for the season fall:

o c t o b e r

l e k y

o r a n g e

p p l e s

U M k i n s

There will be exciting prizes, for the right answer to this week's puzzle handed in on **Thursday**. Please write your name and answer on a separate piece of paper. Good luck!
