Year 6's Blog

The change to Year 6 has been very weird. On our first day, we presented ourselves to our new teacher, Mr Derrington, and had our first maths lesson of the day then had our music lesson and topic.

Maths

In maths, we had to choose blank boxes on an online game and they would say a random digit, then the machine chose a random number and with the other amount we had to make the exact number or as close as we could get.

Music

In music, we have been learning about African drums. First Mr Warren gave us a sheet to write about what we know. After, the class went to the hall. Then we learned how to play the drums. The teacher decided to play a game with the class of beats and rhythm so everybody could understand what they are.

Rhythm in music – It means that the sound is uneven.

Beat of music – It is a sound that is repeated.

Topic

We were learning about World War II (WWII). First we had been looking at the day it started and we found that it was on the 3rd of September 1939. We also learned about different presidents and countries that were involved in the war. Here are some of the countries: Germany, Poland, France and of course the UK. *By Karolina and Auriza*

“Your true success in life begins only when you make the commitment to become excellent at what you do.” Brian Tracy

Sidra Y2, *“Sadly I had Chicken Pox in the holidays then it got better. I had an exciting time celebrating my mums birthday.”*

Erick Y3, *“I went to Paris with my family for five days and then to Kidzania. It was an amazing summer.”*

Khadija Y2, *“I spent my summer traveling to Spain and Morocco. I enjoyed my time with my grand pa and family there.”*

Year 4 Blog

Today was the best day coming back to school and I can't wait to meet my best friends. In my holiday I went to the funfair and ate cotton candy, then got ready for school.

I feel nervous and excited at the same time and we have a new teacher and the teacher's name is called Mr Crowley

And I have learnt a lot from him and this is so exciting: there is a new boy in my class his name is Avi. *By Eglal*

Today was my first day back at school and I'm very excited and my first lesson was spelling. Then we did reading and in my holiday I went to the Isle of White and it was for a week and then came back then got ready for school. The beach that I went to in the Isle of White was amazing and I found some Isle of White blues that can only be found on that beach and I also found some shiny shells. And during the summer holiday I was excited about learning new stuff from my teacher and was also excited to see my friends again and year4 is really good. *By Noah.L*

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

Welcome to a new term and new academic year! We all hope our St Cuthbert families have had a lovely summer holiday and have been enjoying the warm September days starting our term.

This term, we would like to welcome our new staff members Mrs Abu-Ghaida (SENCo), Mr Crowley (Y4) and Mr Derrington (Y6) to St Cuthbert School and wish them all a happy and enjoyable year ahead. We would also like to wish any new children in our school, who have joined us this September, a wonderful learning year! Of course, those of us returning also have a warm welcome back, and a best wish for a year of great learning as well.

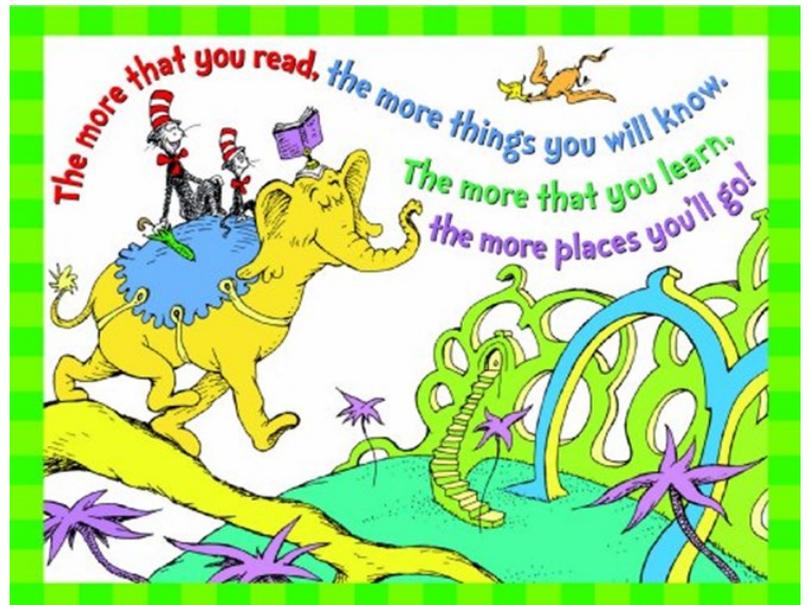

As we start the new term, coincidentally, there is a character on display just outside my office. Beegu (part of our Refugee Week display), is the adorable alien who landed on earth from outer space. What a good reminder he is for us to remember to show warmth and sincere welcome to any new-comers to our school this autumn term! After all it was the children in the story that Beegu found so welcoming during his stay on our planet...

The start of a new year often brings with it new routines, and with the newsletter today you will be receiving an information letter highlighting some important changes and key information about Breakfast Club, School Dinners, After School Provision and Attendance. We encourage you to take note of these points please. If this letter does not accompany your child home today, please find it on our website under information letters: <http://www.scwsm.rbkc.sch.uk/Letters.aspx>

In these newsletter pages you will also find details about Class Meetings that are taking place in weeks 3 and 4 of this half term. We ask that a representative of each family attend these meetings as additional important information will be handed out by the class teachers at these meetings.

And finally, after a newsletter quite full of serious housekeeping information, I will end with a quote from a Dr Seuss...

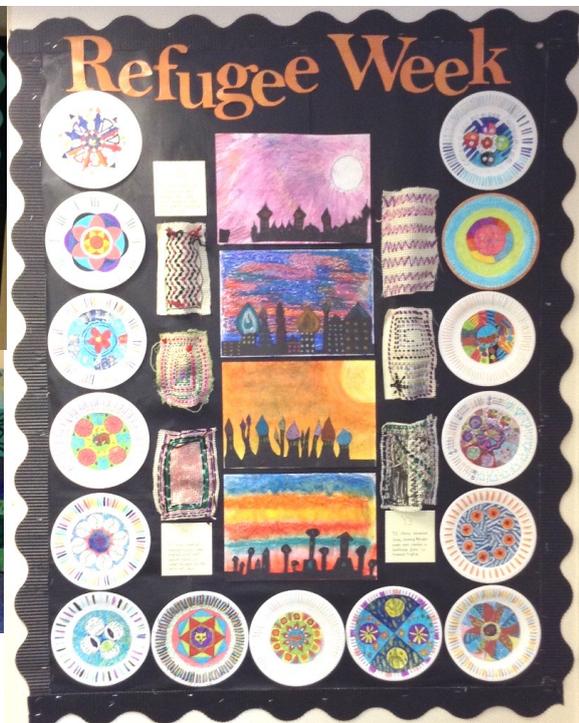

Best wishes for a lovely weekend,

@SCwSMPPrimary

Gill Putterill and the St Cuthbert Teaching Team

Our fantastic displays of stories and art works from countries all over the world to help us celebrate Refugee week last summer.

Children who got the best attendance from last year received certificates today at our assembly.

Donnia Y3, "We went to a beautiful sea side, with lovely cliffs and fun fair. It was only 55mins drive from London."

Sara Y1, "I went to my grandpa and grandma's country, Lithuania, and played with my friend and neighbour there."

Year 5's Blog

We were very excited to do lots and lots of learning for the first the day back to school! We kindly welcomed 2 new children to our class. Their names are Ahmed and Lataiyah. On Wednesday we talked

about our many classroom expectations, responsibilities and (most importantly) remembering our 4cs! We are very lucky to have Miss Kennedy as our teacher again!

We also wrote our top 3 goals for the year and we started creating maths posters and book artwork for our classroom displays in our class! Today we have started a new topic in science about space and earth! In RE we are learning about miracles of Jesus. We began by looking at the parable of the Feeding of the 5000 from just 2 fish and 5 loaves of bread. Did you know that this miracle is the only one which appears in all four of the Gospel accounts? We considered what this teaches us about our responsibility towards those who are starving and in need. Although year 5 can't perform miracles, we can help in many ways such as giving to food banks and showing love to the poor and compassion to the poor.

Over the summer, Lucas went to Iceland and he found some volcanic rocks which he brought in to show everyone! It was very interesting to look at because the rocks had gold specks in them! Dana was very lucky because she went to Germany and Disneyland Paris! *By Lucas and Kim*

PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

After school clubs start from 17th September. Please register your child from Monday.

Earls Court Farmers' Market

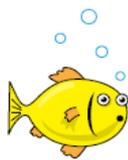

**Earls Court Farmers' Market open on
Sundays at our
St Cuthbert's with St Matthias School.
Every Sunday 10am-2pm**

The freshest, most seasonal produce direct from the farm, fishing boat, bakery or dairy. Every Sunday come and shop, meet your friends and neighbours. The farmers market is the friendliest place to shop, try something different, talk to our farmers and fishermen, see what they recommend for dinner! Bring the whole family.

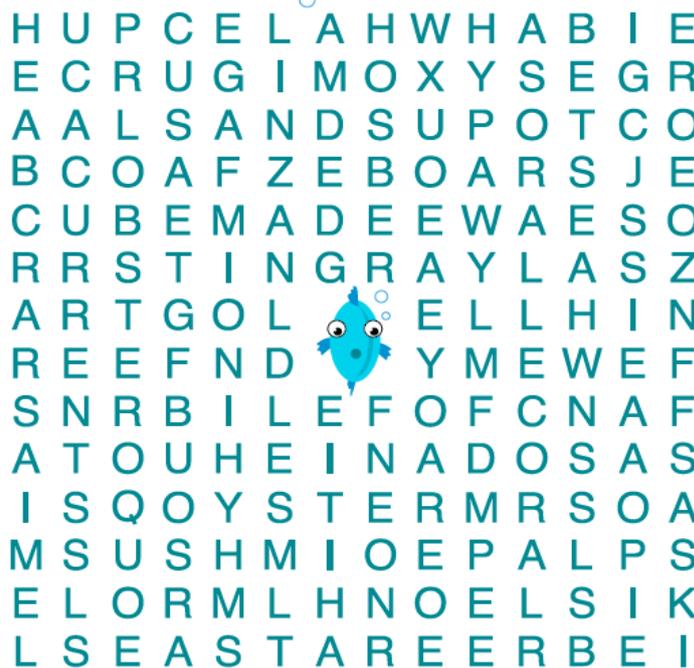

Kids love farmers' markets too.
