Easter Fair in St Cuthbert's

SPECIAL DATES

- **Bank Holiday 6th – School closed**
- **Polling Day 23rd May – School closed**
- **Half term break 27th –31st May**

Noah YN, “We learnt about Mini beasts. They are very small. A beetle has 8 legs.”

Hanna YR, “We learnt about dinosaurs and we all made some from paper and coloured it.”

Freya Y1, “This week we learnt about babies. We brought in our own baby photos to school. And talked about it.”

Holiday Boosters

Did you know that in 3 weeks' time, we will be sitting our SATS? Therefore, we had to go to boosters during the holiday. We did some tests to prepare for our SATS. Luckily, we had break time that was extremely fun. Ms Butters, Mr Adamek and Ms Putterill brought us some biscuits and juice. It was tough, but also exciting.

On Thursday morning, we were selected by Father Paul to act out a drama. It was about two disciples who were walking to Emmaus and who did not recognise Jesus. After that, Jesus talked to them. It was getting late so the two disciples told him to stay with them for the night. Jesus agreed and ate a meal with them. Then the two disciples noticed that he was Jesus. Suddenly, after that, Jesus was gone -out of their sight.

Homework

Since SATS are near, Ms Putterill has decided to give us homework every day! We don't mind at all: it helps us and we don't have much time left until our important tests.

Meditation

In RE we have begun studying Buddhism-one of the most popular religions, particularly in Asia. In our class we have tried meditation which is a form of emotional and physical relaxation used to release stress. *By Kate and Khadija*

PTA Announcement

Come join us for coffee mornings which take place between 9-10 am, every fortnight on Thursdays and are held in St Matthias House. Next meeting is on May 9th at 9 am.

"A creative man is motivated by the desire to achieve, not by the desire to beat others." Ayn Rand

Omar Y1,

"In Maths we have been leaning about even and odd numbers. When we share sweets if they are even number they are fair and if they are odd they are not."

Sidra Y2,

"In English we are learning about the author called Antony Brown. He wrote 1000 books. We looked at some of his books— My mum, My Dad, Gorilla and Into The Forest."

Year 5's Blog

In RE we have been learning about Sikhism, on what it means to be a Sikh. We wrote

on what we already know and some questions on the things we want to find out! We also wrote about what were we belong, like our family or some special activity we do outside of school. Also we thought about the importance of strength of commitment to groups.

Year 5 also have been trying to make our book corner as neat and attractive as possible by writing quotes on A4 pieces of paper. Some of us have written famous quotes from Roald Dahl and other amazing authors; after we have done that, our great teacher will put it on display if it is neat enough!

We also did a maths recap in case we forgot something that we had to learn last term. We did a quick recap of fractions, division, multiplication and word problems...

We also did something similar to a maths recap but we did a SPaG recap this time. We got through conjunctions, verbs, adverbs, adjectives, and punctuation! We really enjoyed the first week of the summer term!

We hope you did too. By Aliyah and Kim

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,
Welcome back to summer term after a (hopefully) relaxing Easter break! We have an exciting term ahead so we are hoping our children have replenished their energy supplies in readiness for all the planned activities! In the coming days, our website will be updated with summer term timetables, term plans and key dates for this term. Some of the wonderful experiences already in the school diary are: Y3 farm trip in May, Refugee week, Performing Arts week, Farm to Fork workshop day, World Environment workshop day, sports morning in Holland Park, Big Brekkie (supporting Christian Aid charity) and our end of year graduations! For those needing a reminder, here is our website address:
www.scwsm.rbkc.sch.uk

But, just for a moment let us reflect on an amazing event on our final day of spring term: thank you to our teachers, PTA and parents for organising such a wonderful Easter Fair. What a joyful occasion it was for our families! We raised an incredible £642! Just in case you missed the event....

We have a very enthusiastic PTA team and I would very much like to encourage our St Cuthbert mums and dads to attend our PTA meetings every alternate Thursday at 9am, in Matthias House. Our PTA have exciting activities planned for coming weeks and they would very much appreciate your support!
And finally, in closing, some ideas to initiate a little chat this weekend...

What is something
you can teach
someone else to do?

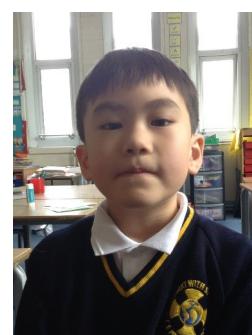

If you could go
anywhere in the
world, where
would it be?
Why?

Tell us about
something nice
that you did for
someone else
today.

With best wishes for a happy weekend,
Gill Putterill and the St Cuthbert Teaching Team

@SCwSMPPrimary

If you could
have a super
power, what
would it be?

George Y2, "We are doing the Big Write. We chose a story we want to write. I chose 'My Mum' and wrote about my mum. She was a security guard and a train driver."

Year 4's Blog

Welcome back from our Easter holidays today we will be talking about our new music teacher. We met him just before the Easter holiday; he is a very skilled pianist and created a good game called plants vs zombies but how the game is played? The zombies will need to choose a noise and if the zombies say this noise you need start again.

We really enjoyed our Easter fair. In one game, we had a ball and if you threw the ball inside the cup you could get a prize. Later we sold our egg chocolates.

We have been making a plan for big write today. We will need to describe our imaginary castle. We have described the castle and how we enter the castle. We learned what a spire is which is a long tower with a spike on the top.

In maths we did decimal equivalents of fractions. So $61 \text{ over } 100 = 0.61$. $8 \text{ over } 100 = 0.08$. By Noah and Ramy

Fantastic display of our Holy Week celebration.

Sarah Y3, "For Easter break we were given a project called pressed flower. My aunty gave me some daises. I then pressed it. I collected more daises. They come in different sizes, shapes and colours."

Notice to Parents

Reception class are collecting cardboard cylinders (as found in centres of kitchen rolls) if you have any at home please hand into Miss Palmer . Thank You!

St Cuthbert's Breakfast Club

 Breakfast is the most important meal of the day so come and join us for breakfast at our school. The breakfast club has a variety of hot and cold breakfast. Children can play games, puzzles and read books afterwards.

Monday to Friday,

Time: 7:30-8:45, Cost: £1.75 per day

Time: 7:45-8:45, Cost: £1.50 per day

No need to book in advance. Just come in on the day and pay on line.

For more information speak to our receptionists.

Our beautiful painting of The Good Samaritan now on display in the foyer.

Aby Y3, "For my holidays I went to France with my family . And visited a zoo with lots of exotic animals like pandas and elephants . We also watched an otter show and a bird. Then I wrote about my adventure in my home work book."

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

POLITE REMINDER

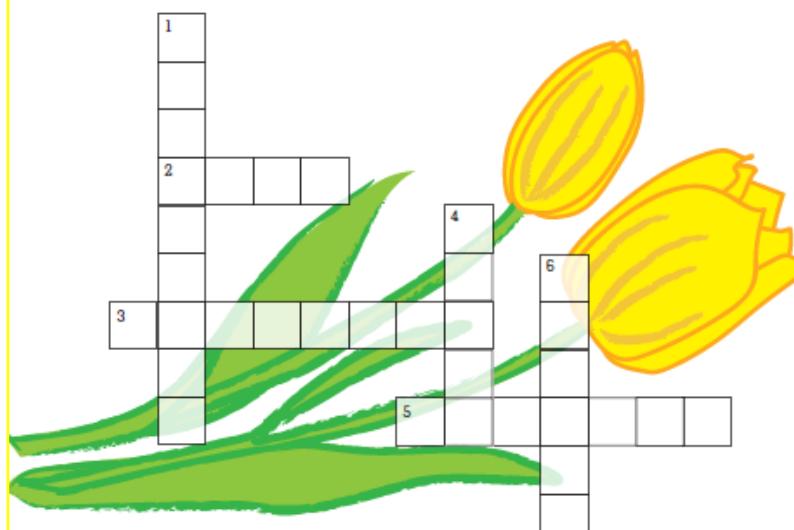

Parking

Please may we remind parents not to double park opposite our school gate. Double parking here is causing a risk to the safety of our children.

Notice to Parents

A reminder to parents that dinner money should be paid in advance. If outstanding money is over £20 you will be asked to provide your child with a packed lunch until arrears are cleared. Thank you for your continued support.

spring crossword flowers

Across

2. This flower is also the symbol of France.
3. A yellow, nodding flower with a cup shaped petal in the center.
5. Young, growing plants.

Down

1. To transfer pollen from one flower to another.
