Y6 Memories

This year has been crazy. We had multiple teachers, who were very kind and helpful. Sadly, many of them left (but luckily we still have Mr Adamek and Ms Butters) and now we have a caring teacher named Mrs Sokhi.

During this year the whole class worked very hard on achieving good results in the difficult tests called SATS. Everyone received fantastic marks like GDS and Expected. It was very hard work but it was worth it after our fantastic results. Our class attended boosters during their free time, such as weekends and holidays. Throughout boosters, Miss Putt-erill provided lots of information and many biscuits for us!

After our challenging SATS, we travelled all the way to Barcelona in Spain by plane. Once we got there, we had to unpack our clothes and have dinner. Surprisingly, on the first day we journeyed off to the beach. When we arrived, the view was absolutely spectacular. The sky was two different shades of colour. All the way through the week, we all had an eccentric time with all our friends. Thank you teachers for an amazing week in Barcelona!

In the last week of year 6 we have been creating arts and crafts and also many pictures. We were also working on an exciting project about us being in nursery to Y6. Plz help. It was quite difficult remembering our childhood but it was very pleasurable...

Now we would like to thank all our teachers from nursery to Y6 for teaching and providing great knowledge and skills for up-coming years. Thank you for teaching us!

SPECIAL DATES

- Autumn term starts:

**Wednesday 5th Sept
for pupils**

- Play Centre:

Although *Fit for Sport* will not be continuing to run after school provision from September, there will be after school provision. Our school will be leading this provision and further details will be made available by letter and on our website at the start of the new term.

Our children enjoyed 'singing their hearts out' at our whole school music concerts on Tuesday and Wednesday morning this week.

Thanks to our photographic team, Miss Smith and Miss Williamson, we have photographs and videos of our music concert available. We will be uploading these onto our website in the first weeks of the summer holidays.

PTA Announcement

Come join us for coffee mornings which take place between 9-10am, fortnightly on Thursdays and are held in St Matthias House. Next meeting is on September 13th at 9 am.

"The best preparation for tomorrow is doing your best today."

H. Jackson Browne, Jr.

Year 4's Outstanding Blog

Wow! What a year it's been in year 4! There have been many rich and abundant memories in our class that we will treasure for life: making bruschetta because it was an appetising Mediterranean dish to try, planting basil plants because we could use it in our cooking at home and going to the V&A museum as we could do loads of arty activities – to name a few.

Our final Spanish lesson

This was the best Spanish lesson that we have ever taken part in because we recapped all of the things we had been taught in year 4; on Tuesday we got a special treat from Miss Calero which was chocolate and certificates, we really enjoyed the privilege because we would never normally get chocolate during a lesson! It was amazing!

Big Write

In the big write we had to write a persuasive letter to Miss Kennedy explaining why we wanted to be class teacher for the day. We attempted to answer the following questions: why would you like to be a teacher? What would you teach as the teacher? What parts of the day would you change? And what would you keep the same? Some of us decided that we would make breaks longer (quelle surprise!) and hold onto dojo points. Some even suggested making home time later to fit in an extra lesson!

Excitement to come...

We can barely wait for the next two days – we have our year 4 graduation and the mobile zoo are coming to town! Some of us have made beautiful and informative posters about some of the animals that we would be lucky enough to spot in school, such as bird-eating tarantulas! Did you know they were recently found in a car park in Derbyshire? Well, we hope they don't make it to London! From all of year 4, we hope you have a wonderful summer break.

HEAD TEACHER'S LETTER

Dear St Cuthbert children and parents,

As I begin my final newsletter of the academic year, I am reflecting on a year of learning within our school walls. From the weekly blogs, Friday certificates, Hot Shot awards and learning evidence that I have seen regularly through the year, I think I can be sure that our children have grown in academic intelligence, emotional intelligence and social ability over the past weeks of our year. An incredible support team has enabled this to happen - and so I would like to thank our St Cuthbert Teaching Team, our St Cuthbert families, our Volunteer Reader support team, other volunteer supporters and the children for the encouragement that they give to each other along a school year. Well done and thank you to everyone who has been an invaluable part of this journey.

Another thank you is going to our Chair of Governors, Mrs Muñoz Slaughter, who is retiring from her governor duties this July. As a school, we said our farewell in a special assembly last Friday, but I would like to mention this in our newsletter today as well. Thank you Mrs Muñoz Slaughter for the hours and hours of dedication you have given for the children of St Cuthbert School. We know you will always pop in when you are nearby, to say *Hello* (and to check on our cursive script and 4C code).

To our Y6 class of 2018, all the very best for your futures - if you go forwards armed with the determination, courage, resilience and dedicated attitude that you have shown this year, you will be smart people out there in our world. To some of our children leaving us today, we also wish you all the best in coming years - wherever you are.

And now, to all our children and families, we wish you a very **wonderful holiday** and look forward to seeing you again on 5th September.

With best wishes,

Gill Putterill and the St Cuthbert Teaching Team

 @SCwSMPrimary

A treat for Y5/Y6 girls football team from their coach, Mr Reid: a Nando's visit on Wednesday.

Our Y5 girls at their Football tournament in Westway Sports Centre this week.

Year 5's Blog

Our Best memories of Y5!

Wales: Year 5 was a fantastic year to be in. We had good opportunities like going to Wales, we travelled for 7 hours in a coach with Darren, Miss Laura, Lisa, Martina and Chelsea!! When we got there, there was a massive view - everything was tidy; the corridor was very spacious and shiny. We loved it so much ! Best trip ever!

Southbank: Our trip to Southbank was amazing. We had so much FUN!!!! At 9am we got to the train in Earls Court to Westminster, then we crossed the bridge and sketched the view. After that we had our lunch in Jubilee Gardens and played on the massive park next to it.

Our Nursery children were given the i-pad on Tuesday and turned into photographers—this is the result....

We would like to congratulate Mrs Nawaz and Miss Murphy who were appointed as Assistant Head Teachers this week for St Cuthbert's School. They will take on their duties, along with Mr Derrington, in September.

Reception children enjoyed a trip to the Princess Diana Memorial Park yesterday.

We had wonderful visitors in school yesterday ...

**ST CUTHBERT
WITH ST MATTHIAS
CHURCH OF
ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.
