

Lower Treginnis, DAY 1

Dear all,

We have arrived safely at Lower Treginnis Farm. The children were excellent on the bus journey and there was certainly a buzz of excitement in the air! After taking in some stunning coastal scenery on the coach, we were warmly welcomed to the farm at around 2:30pm by the wonderful farm staff.

We were treated to healthy snacks and juice before being shown to our dormitories. Following this, Dan (the farm manager) ran through some rules and regulations such as fire drills, safety talks and conduct in the cottage and out on the farm. We then headed to the boot room and practised getting our waterproofs and wellingtons on correctly.

Before we knew it, it was time for a delicious dinner of jacket potatoes, followed by handmade cupcakes! The children then showered and convened in the quiet room, where we have been creating our own diaries this evening. We are about to enjoy a hot chocolate before settling down for bed. We're all thoroughly looking forward to getting involved with our farm tasks tomorrow.

Two children will be writing a follow-up email tomorrow evening with an update of the day's events.

Sending well wishes from Wales,

Miss Kennedy
