Follow our 8 top tips to help keep your kids safe online during lockdown and beyond.

Being online during lockdown is an amazing way for kids to play, create, learn and connect, whether they're chatting with friends and family, playing games or doing homework. But it's also important to know to help keep them safe.

The best way to help keep your children safe online during lockdown is to continue having conversations around online safety, regularly check phone and app settings together, and manage time online.
