

# Loving one another. Learning for our future.

'Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Living our Vision

15 January 2021

## Our Amazing Epiphany Projects!

As a way of celebrating Epiphany on 6th January, we were set a task of research and art! Well done to all our pupils for their hard work on this task!

**SPECIAL DATE**

Half Term: 15-19 February

**Epiphany**

- The Magi (The Three Wise Men). Caspar is the King of Shabaz. He wears a green cloak and a gold crown with green jewels on it and he is the one who brought frankincense to Jesus. Melchior is the King of Arabia. He has long white hair and a white beard and wears a gold cloak. He is the one who brought Gold to Jesus.
- Balthazar is the King of Tarsus and Egypt. He has a black beard and wears a purple cloak. He brought Myrrh to Jesus.
- The Gifts. The Gold from Melchior is associated with Kings and Christians believe that Jesus is the greatest King. The frankincense from Caspar is used in worship in churches and it represents the fact that people will worship and praise Jesus. The Myrrh from Balthazar is a fragrance that is put on dead bodies to make them smell nice the fact that Jesus would endure persecution resulting in his death.
- Story. When Jesus was born, King Herod told the Magi to find Jesus so that he could worship him. The Magi found Jesus and brought him gifts, but they were miraculously warned in a dream not to go back to Herod, he wanted to kill Jesus so therefore they went back home on another route.

## Our School Prayer

Dear God,  
 Help me to do the things I should.  
 To be to others kind and good.  
 In all my work and all my play,  
 To grow more thoughtful every day.  
 Amen.

**Epiphany**

**We have still been challenging ourselves to create the tallest of towers!**

**Lockdown will not stop us from our fun learning! Antonio, YR, has been very busy experimenting at home!!**

We would love to hear about any Good Samaritans in St Cuthbert homes. Please email us to let us know if you have a Good Samaritan in your home!

## HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

It is lovely to be writing my newsletter to our school community sharing joyful pictures of home-based learning and school based adventures this Thursday evening, while outside we have a rather gloomy, grey-drizzly weather event taking place.

And how lucky I am through each week to receive the photographs of amazing projects and learning that are sent for uploading into our website galleries, giving me a snapshot of home-studies beyond our home base here in Earls Court. There are so many STAR LEARNERS out in St Cuthbert homes – well done to you all!

But equally, how fortunate I am to be able to share with you this week the adventures of The Dino Hunt Adventure with Spidey, the Giant Youtube Bird and Ted the Detective, as well as the adventures of things bravely growing in the many pots out in our playground these chilly days. Hopefully, the pages of our newsletter will bring good clarity on both these points, but a huge thank you to our teaching staff here in school for delivering daily teaching to their classes, and for supporting those pupils in school in such a dedicated manner. With so many new tech skills to take on board in such a short amount of time, this is no mean feat. Thank you as well to our parents who are supporting us with their great efforts at home. New adventures for everyone!

I would also like to mention our industrious team of 'St Cuthbert gardeners' who have been supporting outdoor plant adventures this week. Things wonderful are emerging from their chilly winter earth-homes – albeit into chilly wintery temperatures, and very soon we will be able to share photographs of colourful blooms for all to see.

These are tricky and sensitive times for us all these days, and so I thought it would be wise to seek advice from some children who have been learning on site with us here at school. Perhaps some wise words that we could all take with us into our weekend? With so much talk about following rules in the news lately, I thought some advice about rules might be good!

*'Which rules are important for us to follow?'*

*A: 'We must wash our hands as there are germs everywhere.'*

*'That is so wise! Are there any other rules?'*

*F: 'Space. We must keep a space between us.'*

*Y: 'And we mustn't touch.'*

With this good advice from three Year 2 boys, I can now wish you and your families every best wish for a safe weekend.

Gill Putterill and the St Cuthbert Teaching Team

**Take a minute to chat !**

What is something you can teach someone else to do?

What is something you would like to learn to do?

# Year 2's Blog

This week in Year 2 we have been learning about division and multiplication facts. We learnt that  $20 \div 10 = 2$  and  $2 \times 10 = 20$ . In science we have been learning about plant life cycles, we made posters of our favourite flower's lifecycle. In English we learnt that adverbs describe a verb. We brought in our own toys from home and wrote a shared adventure story about them using adjectives, expanded noun phrases and adverbs.

## The Dino Hunt Adventure with Spidey, the Giant Youtube Bird and Ted the Detective

Once upon a time there was a big, soft, clever spider called Spidey. Spidey had one green eye and one orange eye. He was friends with a friendly, funny and playful dinosaur called Diney and a chocolate brown, interesting detective called Ted.

Spidey had a lot of money and one day a big, red and white bird flew down. The big bird was very poor. Spidey kindly gave the bird some money and bread. The bird bought a house near Spidey's house. One day the poor bird found special Youtube glasses. The Youtube glasses were like a tablet. The bird lived happily.

One rainy morning Detective Ted was investigating why Diney had a scratch. He couldn't figure it out so they went on an adventure instead. They slid down a slippery slide and entered a galactic, rainbow portal, they slid out and landed in a beautiful giant flower field that smelt of roses. The flowers tried to trap the three friends, but luckily they escaped by helping each other. Diney suddenly remembered how he got the scratch. "I remember!" yelled Diney. An evil T-Rex had scratched Diney when they were fighting.

The friends made a plan to defeat the evil T-Rex. The plan was that they would hide behind a tree and when the evil T-Rex turned around they would jump and fight him. And so they did that and defeated him! Suddenly, there was an earthquake. Diney yelled "Quick! Let's hide!"

Finally, the earthquake stopped and the three friends returned home safely.

*Enjoying their in-school learning!*

**'Every day may not be good, but there is something good in every day.'** Alice Morse Earl

**Keira, Y1** has made a fantastic Royal Park poster persuading us to visit our local park!

**Serena, Y4** has made an incredibly creative water cycle project! Well done Serena!

**Jennifer, Y4:** 'Gardening is incredibly amazing! We are going to be planting more bulbs and vegetables soon. We have a hyacinth growing in the vegetable garden!'

**ST CUTHBERT  
WITH ST MATTHIAS  
CHURCH OF  
ENGLAND  
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.
