

..the light *Loving one another. Learning for our future.*

'Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Living our Vision

05 February 2021

SPECIAL DATES

Half Term:

15-19 February

Science Week:

8-12 February

Year 4 blog!

This was excellent week and we can't wait to tell you about it!

In English we have been learning about the Great Kapok tree. We had a debate about the people that wanted to chop down the Kapok tree and people who didn't want to. We were drawing about the boss or the friend trying to convince the man to chop the Kapok tree.

In Maths we were doing the 11 and 12 Times Table (multiply and divide by 11 and 12). Also we did factors for example $4 \times 9 = 36$ so that means 4 and 9 are factors of 36.

In Science we were learning about the Water Cycle and repeating about condensation, evaporation and precipitation. Also we did experiments about gases, solids and liquids.

By Aiden and Dani

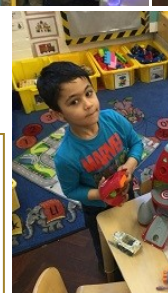

Baking, making a treasure

map, creating a cute monster, completing a jigsaw puzzle piece – so many fun activities on our **NO-SCREEN-FAB-FRIDAY!**

Our School Prayer

Dear God,
Help me to do the
things I should.
To be to others kind
and good.
In all my work and all
my play,
To grow more thought-
ful every day.
Amen.

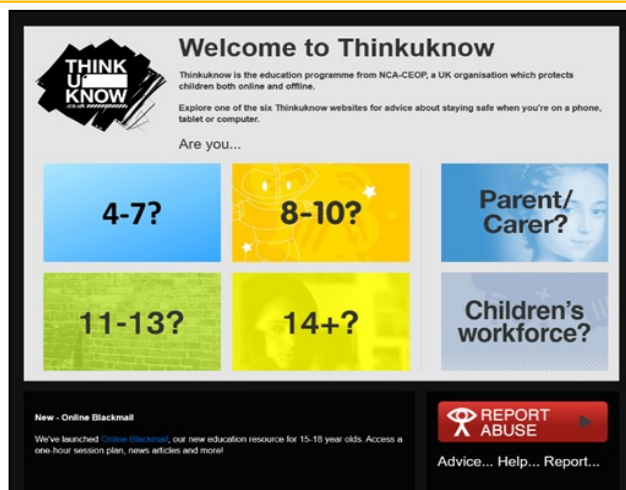

Our pupils made Holocaust Memorial candles, thinking about how they can be lights in our world!

St Cuthbert with St Matthias CE School

"May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit."

-Romans 15:13

<https://www.kidsonlineworld.com/>

<https://www.kidsonlineworld.com/parental-controls.html> has a page specifically giving ways parents can link parent-child devices to help monitor internet use.

HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

As we celebrate Children's Mental Health Week with a NO-SCREEN-FAB-FRIDAY today, and Safer Internet Day next Tuesday, I thought I would share some excellent websites on both these topics with our parent community.

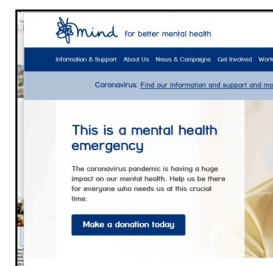

With so many valuable resources out there, it can sometimes be difficult to fall upon the right resource at the right time! Having spent last week's newsletter telling you about the special plans for our NO-SCREEN day, it's time for a newsletter page for parents too!

And so, here they are, two resource boxes for our parents which will hopefully give helpful tips on two subjects under the spotlight currently: our mental health & well-being and internet safety.

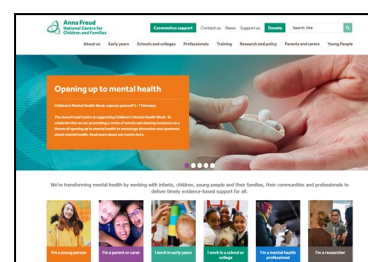

We all hope the children will have enjoyed their challenges today and will feel refreshed for a final week of learning before the half term break.

With best wishes for a warm weekend,

Gill Putterill and the St Cuthbert Teaching Team

Year 5 blog

These past 5 weeks we have been in lockdown and we have had online school and online conversations and it is quite difficult. During these 5 weeks in DT we have been learning about an odd subject... and that subject is bread. We have first written facts about different bread, like did you know that the pretzel is the oldest snack known to man? The second thing we did was make a design for bread- so what flavour would you put in it and how would it look and the last was we had to make that design into reality!

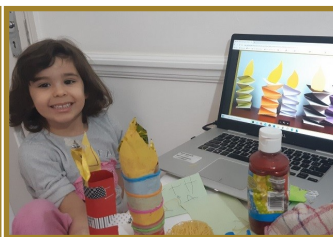

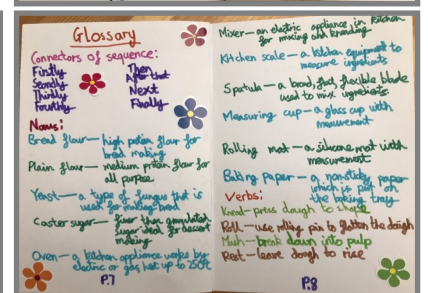

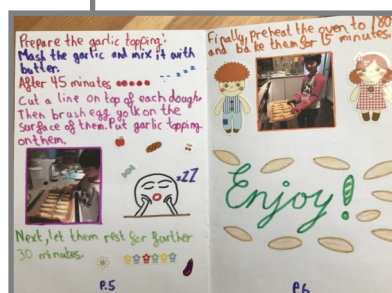

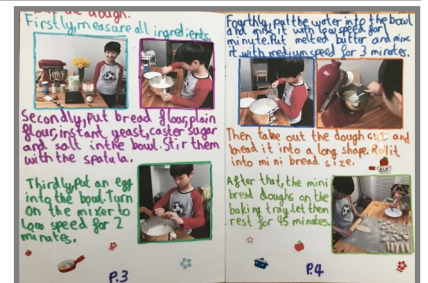

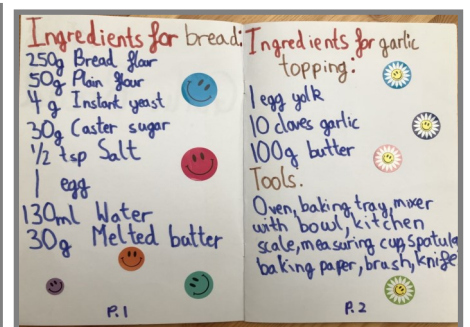

In English, we have been doing the Happy Prince and this has been a heart-warming story. The Happy Prince has a very important moral "be kind to those who are weary and God will bless you."

Last but not least Spanish! I find Spanish one of the hardest subjects yet. We have been learning "vamos a la casa" and have been learning what is in the house in Spanish, like 'cama' is bed and 'libros' is book.

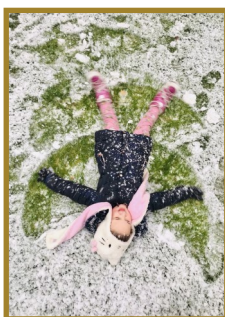

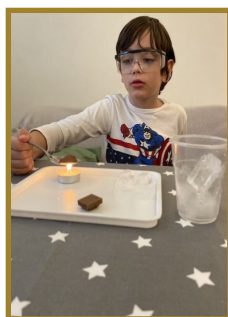

Donia, Y5

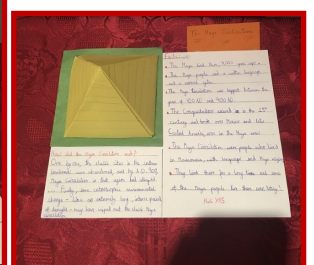

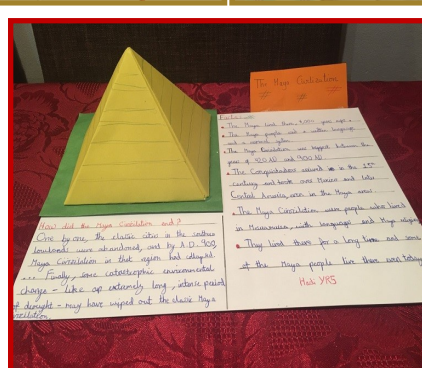

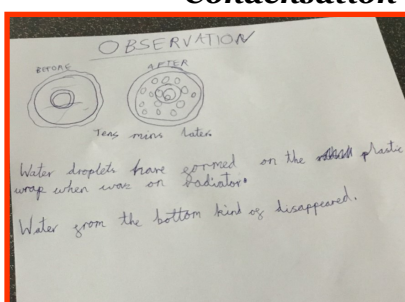

Brian, Y5 has created a fabulous recipe book for DT - and delicious garlic bread!!

Loving our learning! Clockwise: Christina, YR, Fairy Tale setting; Nathalia, YN; Talia, YR; Sophie, YR; Sonia, YR; Sizar, YN; Talia, YR; Alessia, YN; Kylo, YN; Jasmine, YR; Cristian, Y3

Adeena, Y4 has been experimenting at home: Experiment – Evaporation and Condensation

Hadi, Y5, has worked hard on his history project detailing Maya architecture!

**ST CUTHBERT WITH
ST MATTHIAS
CHURCH OF ENGLAND
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE
WEEK**

Congratulations to you all!

YN	Arthur	Trying hard to use new sounds to write words.
YR	Joel	For using your phonic knowledge to write words.
Y1	Petar	For showing confidence in his abilities in all subjects!
Y2	Michael	For trying extremely hard in his home learning!
Y3	Judah	For sharing excellent facts in science.
Y4	Cristian	For always working hard and responding feedback.
Y5	Assia	For working really hard and focussing on her learning.
Y5	Ibrahim	For being active online, and in school, asking questions about his learning!
Y6	Hussein	For an excellent biography on Charles Darwin.

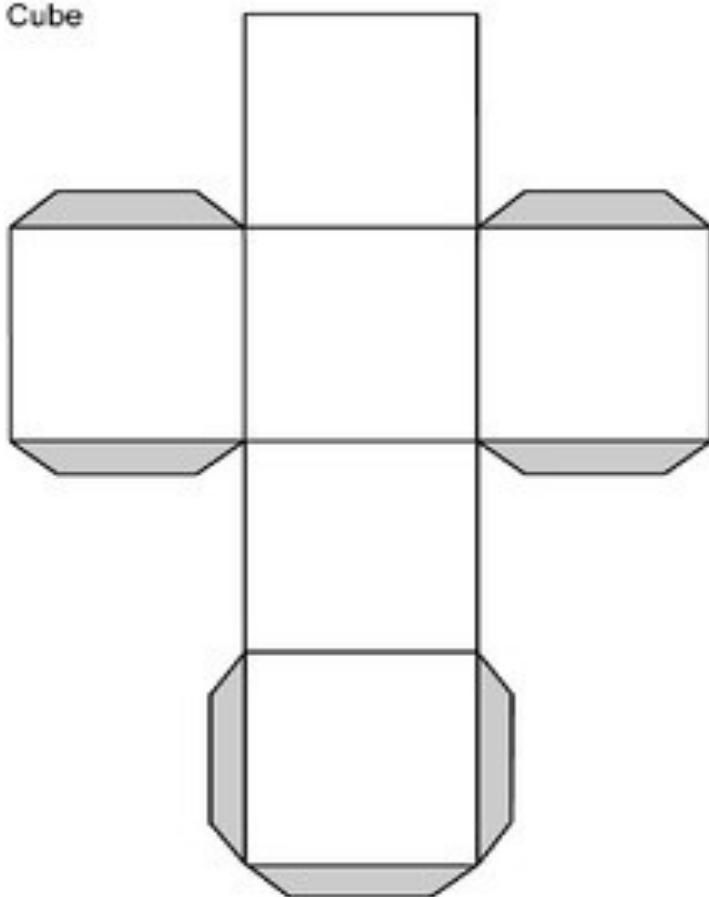

**PROJECT HOTSHOTS OF
THE WEEK**

Congratulations to you all!

YN	Alessia	For a great music project!
YR	Ola	A wonderful Epiphany project!
Y1	Omar	For going above and beyond with his home learning in RE.
Y2	Oliver	For making a wonderful spinning drum!
Y3	Christelle	For creating an amazing music project!
Y4	Naomi	For being an amazing scientist!
Y5	Lacey	For her captivating story, strong vocabulary and using speech correctly.
Y6	Francis	For an amazing 3D project on Ancient Egypt! Well done!

Cube

Make a pet!

Here is a starter net.

You will need to adapt the net for each part of your pet.

I wonder how you will make the fabulous tail and fluffy ears?

Have a go- and good luck!
