	9:10 10:10 English- Biography on WW2 Political Leader. Today you will be finishing, editing and reflecting on your biography. You have worked so hard on these, so it is important that we take the time to proofread and edit them! :) This can be done on your Google Doc (preference), or on paper and then a photo uploaded to Google Classroom.	Maths- Fractions to Percentages Watch this tutorial: https://vimeo.com/492449530 In your Google Classroom there are two corresponding activities, one on fluency, and one on problem solving and reasoning. There are three 'sheets'- you know which you are to complete! Complete it on the Google Sheet or by hand and post me a photo. 	English- Percy Jackson and the Lightning Thief: Modal Verbs Today we will be learning about modal verbs through our reading of Percy Jackson. We will begin chapter 4, discussing all of the uncertainties in Percy's life. The children will be listening for examples of uncertainty, obligation and ability. They will then be completing a modal verbs activity, which will include recognising modal verbs, selecting the most appropriate modal verbs for sentences and then writing their own sentences with modal verbs, This can be done on your Google Doc (preference), or on paper and then a photo uploaded to Google Classroom.	English- Percy Jackson and the Lightning Thief: Expanded noun phrases Today we will be revising expanded noun phrases. After some modelled and shared sentences, we will be writing some expanded noun phrases on given mythical creatures (cyclops, gorgon, fury, minotaur) to help Percy learn some key information about the foes in the new world he is now a part of. They will be vivid descriptions to give him an idea of what meeting one would be like. This can be done on your Google Doc (preference), or on paper and then a photo uploaded to Google Classroom.	English- Percy Jackson and the Lightning Thief: Relative Clauses Using the text, we will be looking at the use of relative clauses to build up images of characters and add extra information. For this piece of work, a Google Doc will be required. If this is not possible, then it must be at least presented as a newspaper article.
	10:15 11:15 Maths- Understanding Percentages Watch this tutorial: https://vimeo.com/492101741 In your Google Classroom there are two corresponding activities, one on fluency, and one on problem solving and reasoning. Lunch					
1:30 2:30	FINISHING OFF TIME- This hour is project time. You need to make sure everything is up to date, submitted and feedback responded to.	YOU MUST BE ON THE CALL AT 1:30, so that you don't miss out on this special event! From 1:30-2:30, we will be jumping on LIVE with Liverpool FC! For Safer Internet Day, they will be live streaming for an hour, alongside teachers and professionals, to teach us about how to decide what to trust and what to question online. Parents- this is just me on the stream! I will be sharing my screen with the children, they won't actually be one the stream with the club.	Google Meet commences at 1:30 RE-"What do the Monastic Traditions within Christianity show us about living in community?" MIND MAP FIRST Today we will be looking at a diverse range of monastic communities. We will look at a range of images of people living in monastic communities and use virtual post-it notes to share some thoughts on some questions about the images. We will then look at some communities in depth and then be writing up a pamphlet for that community, looking at different aspects such as its history, its daily life, its members, its vows, its values etc and what it involves to belong to or to join it.	Google Meet commences at 1:30 History: EVACUEES In today's lesson, we will be learning about the child evacuees during WW2. We will be learning about what it was like for those children, and then using Debono's Six Thinking Hats to try and put ourselves in their shoes. We will then use these thinking hat questions to write a letter home, in the role of an evacuee. This lesson is very interactive, therefore it is imperative that all students are there and on time.	Google Meet commences at 1:30 Science- Invertebrates. Today we will be looking into the characteristics of invertebrates. We will then have a task set for the half-term break to investigate a local green area and create a tally of the amount of invertebrates (and number of each type) that can be found. This will then be plotted on a bar chart and be submitted on the first day back of the new half-term.
2:30 3:00	Work on SPANISH Activity- In Google Classroom.	SAFER INTERNET DAY ACTIVITY CONTINUED...			Science Experiment Today you will be participating in an experiment as a part of Science week!! You will be CREATING a LAVA LAMP!! You need to make sure you have: A clean plastic bottle water (that's easy) vegetable oil Fizzing tablets (like alka seltzer) Food colouring We will watch a video on how to do it and then do it together!!
3:00 3:15	LIVE: Collective Worship	Registration- via Google Classroom. We will be reading chapter 3 of Percy Jackson and the Lightning Thief. No one should miss this, but if you do, you must listen to it before tomorrow :) https://www.youtube.com/watch?v=R7sJ6Vmy_Qw	LIVE: Collective Worship	LIVE: Collective Worship	LIVE: Collective Worship
