

# Loving one another. Learning for our future.

‘Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.’

Living our Vision

07 July 2023

## Year 6's Blog

Welcome to Year 6's majestic blog!

On Monday, we went to a Spanish restaurant and had a lot of different tasty dishes. A thing we can confirm is, that it is tasty and satisfies your stomach so much that it aches.

In RE, we learnt about the Prophet Mohammad (SAWS) and the birds.

What happens is that he was traveling and a bird comes to him looking distressed. Prophet (SAWS) asked the bird what happened and it said its eggs are missing. Prophet (SAWS) stopped all of his companions and asked who took them and they all waited for someone to step forward. Sooner or later, someone stepped forward and gave the eggs to the bird.

Transition Day

For transition day we got our houses for Chelsea Academy and most of us are in the same one.

Rehearsal

We are rehearsing for our end-of-year play. We have rehearsed every day and will continue until the day has arrived, on Friday 21st July.

Lastly, on Thursday we received our leavers' hoodies.

*Have a good weekend, brought to you by Mark and Alfrouk!*

## SPECIAL DATES

- **13th July – Sports morning**
- **14th July - Talent show**
- **Weeks beginning 10th & 17th July- Graduations**

## Year 5's Blog

Welcome to our amazing Year 5's blog!

In English we have been learning about a new story which is called Kensuke's Kingdom. It was made by Michael Morpurgo. The main character whose name is Michael

lives with his mum, dad and his gran. Soon his mum and his dad received a letter that they have lost their jobs. Dad left for some days and later he called mum saying she and Michael need to get on the train. When they got off they saw him. They went in a car and went to a boat and saw a boat called the Peggy sue.

In Geography we have been learning about rivers and water cycles. The start of a river is called the source with no meanders. If you are wondering what meanders are we will tell you. Meanders are mostly in the middle of the river source. A meander is when the river goes more inside. The river starts to close and in 5 seconds it opens up.

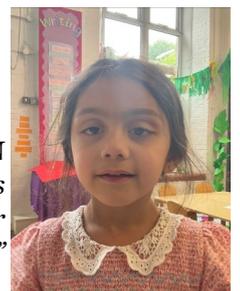

In Maths have been learning about decimals by adding and subtracting. We did column method with 4 digits. E.g.  $5.2 + 3.3 = 8.5$  and we were correcting the wrong answers on the sheet and writing the correct answer to the sum of the question.

In our Summer Fair we are going to be selling things like chocolates Boba and slushes and some donuts.

*By Ammar and Terye*

**Zara YR** "We practised to show our puppet show called Punch and Judy. Its about friends."

**Reem YN** "We are going to sell cupcakes sweets, and lollipops in our shop for Summer fair."

# St Cuthbert with St Matthias CE School

*"The mind is not a vessel to be filled but a fire to be ignited."*  
**Plutarch**

**Aisha Y2** "In English, we have been doing a story map about a story called Gorilla. Its about a girl called Hanna who loves Gorillas. In the story, her toy gorilla comes to life.

**Jani Y1**

"In Maths, we have been learning how to tell the time. The long hand is the time and the minute hand. The short hand is the clock and the hour hand."

### Year 4's Blog

Welcome to Year 4's amazing blog!

In English we have been learning about

homophones, which are there, their, and they're. They sound the same but have the different meanings and spellings. We then created our own sentences each with two homophones. That was our challenge. We also wrote invitations to our parents to come to our talent shows next Friday. We had auditions to choose who is going to represent our class in the talent show. The class voted for the best singer. Hannah received the most votes, so she will be performing next Friday. We even did sea poems. We used alliteration, rhyming word, personification and we compared poems to see the biggest difference. After that we wrote sentences with our own words.

In Maths we learnt to add and subtract decimals. We did 0.1 and 0.01. We also did measurements and conversations. We measured our heights. We found out that  $1\text{m} = 100\text{cm}$  and  $50\text{cm} = 0.5\text{m}$ .

In Geography we drew a sketch map of a sea side town from different countries. We used coloured keys to identify the roads, the park, the sea, and some boats.

In Reading wheel we have been learning about hitchhiking. There was a woman who went on a hitchhiking alone. She asked for a ride when she found people who went the same direction as her home village. She enjoyed it so much that she wanted to go hitchhacking again.

By Mekheseb and Michael

### HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

Thank you to all our families for attending our St Cuthbert summer fair yesterday. We had been watching the skies all week, but fortunately, the bright smiling sun faces hanging in nursery class must have enticed the summer sunshine back into the sky, just in time for our fair - thank you nursery class!

This year, we asked each class to design and serve at their own class stalls, and what a wonderful collection of colourful stalls we had! Well done to the children for using their DT skills for a real-world event. A big thank you to some of our hardworking mums who supported the event, and an extra-large thank you to Cole's (Y5) mum and Gabriel's (YN) mum for much time and effort in the lead up to the fair. Classes have yet to finalise their profits, but PTA raised £268 at the games, raffle and food stall, well done! Just in case you missed our event, these photographs show some stalls ready to go, and others enjoying their glorious

moments out in the playground. And being a British summer fair, this year we even had a Punch & Judy show performed by reception class!

As we head into our final two weeks, a little reminder of forth-

coming events: graduations, sports morning and talent shows! All dates and times are in the newsletter and on our school website.

And finally, as we close another week, we wish you a restful weekend ahead.

With best wishes, Miss Putterill and the St Cuthbert Teaching Team

## Year 3's Blog

Welcome to our interesting blog!

In English we annotated features of two poems called 'I Did Not Eat the Goldfish' and 'Barry's Budgie...Beware'. The features were rhyme, alliterations, stanza, adjectives, and similes.

In Maths we continued to learn about fractions. We were learning about subtraction and adding. To add and subtract fractions with the same denominator we need to add or subtract the numerators. We also learnt to how to find a fraction of an object. We use our knowledge of times table and division facts. We then did equivalent fractions. They are when numerators and denominators are multiplied with the same number, e.g.  $2/4=4/8=8/16$ .

For our talent show we chose two children to do magic tricks. They are practising and we will perform to parents and guests next Friday. For our summer fair we are selling smoothies at our stall/lemonade parlour. *By Alfred and Neimah*

A beautiful Reception class display for their book corner.

Some pictures and activities from our Leighton House trips.

Year 5's stall ready to serve customers.

## A big thank you from the school and PTA

To

Tesco (Brompton Road)  
Hummingbird bakery (South Kensington)  
Sofa.com

Natalie (Cole's mum)  
Sirivan (Gabriel's mum)

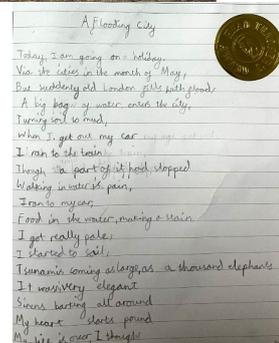

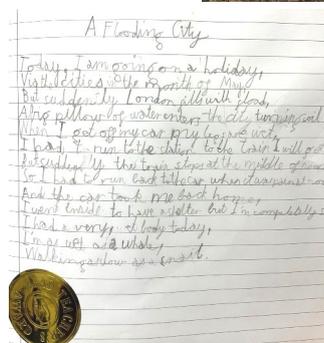

**Younes Y1**  
"We went to Hyde park to the Lookout Centre, to see bugs. We saw 2 huge blue and green dragonflies. We also saw a tiger butterfly it's orange and black."

For their generous donations towards the School summer fair. Thank you very much, we really appreciate it.

Also, a thank you to Year 5 and Year 6 children who helped the PTA yesterday with set up and running the Hook a Duck stall.

Year 4's Adan and Leyon wrote incredible poems deserving of headteacher's golden sticker.

## Good Samaritan

This week our Good Samaritan is **Sizar (Y1)** for regularly helping out in the dinner hall.

**Melisa Y2** "In Maths, we have been learning about money, so we can sell candy, cakes, and sweets. We can give the correct change in our shop at the Summer fair."

## Notice to Parents

Graduations	Weeks beginning 10 <sup>th</sup> and 17 <sup>th</sup> July
Sports morning	Thursday 13 <sup>th</sup> July (9.30-11.30)
St Cuthbert's Got Talent	Friday 14 <sup>th</sup> July (EYFS&KS1 9.30am/ KS2 2pm)

## Graduations in school hall

Y N	Monday 10 <sup>th</sup> July	9.30am
YR		2pm
Y1	Wednesday 12 <sup>th</sup> July	9.15am
Y2		2pm
Y3	Monday 17 <sup>th</sup> July	2pm
Y4	Tuesday 18 <sup>th</sup> July	2pm
Y5	Wednesday 19 <sup>th</sup> July	2pm
Y6	Friday 21 <sup>st</sup> July	2pm

**ST CUTHBERT  
WITH ST MATTHIAS  
CHURCH OF  
ENGLAND  
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

## STAR LEARNERS OF THE WEEK

**Congratulations to you all!**

YR Emily	For being so kind and helpful.
YR Ilhami	For taking a leadership approach to our Punch and Judy performance.
Y1 Joana	For showing perseverance and flourishing in all areas of learning.
Y2 Sonia	For working so hard in the Summer fair.
Y3 Prince	For being thoughtful about his classmates and offering to help with tricky learning tasks.
Y4 Rikuto	For being a very polite and showing kindness in his first week.
Y6 Simeon	For being helpful during the summer fair.

## HOME LEARNERS OF THE WEEK

**Congratulations to you all!**

YR Jai	For persevering even in the face of challenges in homework club.
Y1 Alex	Always being polite and thoughtful around the classroom.
Y2 Melisa & Elion	For constantly bringing in high standard homework and projects.
Y3 Neimah	For her imaginative Geography project about life in the rainforest.
Y4 Hannah	For creating a beautiful Geography project.
Y6 Mouemin & Anna	For designing a splendid summer fair stall.

### DOUBLE PARKING

Please can parents respect our request not to double park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.

### Puzzle time

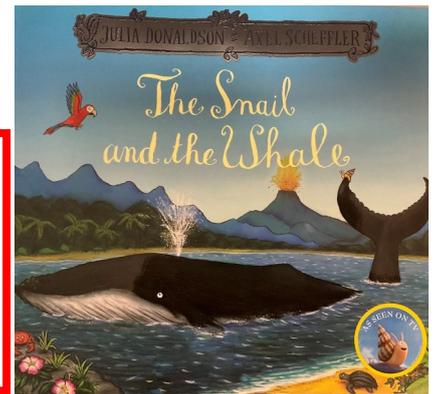

**DIRECTIONS:**  
Find and circle the vocabulary words in the grid. Look for them in all directions including backwards and diagonally.
