

# Loving one another. Learning for our future.

‘Our school community is inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another with courage and compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.’

Living our Vision

14 July 2023

## Year 5's Blog

Welcome to Year 5's luxurious and interesting blog!

This week in English, we have been learning about a book called 'Kensuke's Kingdom' as some of you might know! This week we have been doing an activity where we were role-playing as a good angel, bad angel and Michael (the character of the book Kensuke's Kingdom) because we were writing advice for Michael. We had to advise and oppose with challenging vocabulary, top punctuation, different types and modal verbs.

In PSHE, we had two school nurses come into our classroom and give us a workshop on puberty. It was very enjoyable and fun to learn stuff about puberty so I know when I go through puberty, I won't have to worry about going through the different stages of puberty.

In Geography we have been learning about rivers and the water cycle. The 4 stages of the water cycle are: evaporation, condensation, precipitation and accumulation. I can explain the whole water cycle. Evaporation is when the Sun heats the water and the water vapour goes into the sky. The clouds make the water vapour cold and it either turns into rain, hail or snow which is condensation and precipitation. Accumulation is when the rain goes into the ground and then comes back into the sea, rivers and the lakes and the oceans.

By Aisha and Giya

## SPECIAL DATES

- Week beginning 17th July- Graduations: Y3; Y4; Y5; Y6
- Final day of term –Friday 21st July 2023

## Graduations in our school hall

Y3	Monday 17 <sup>th</sup> July	2pm
Y4	Tuesday 18 <sup>th</sup> July	2pm
Y5	Wednesday 19 <sup>th</sup> July	2pm
Y6	Friday 21 <sup>st</sup> July	2pm

## Year 4's Blog

Welcome to Year 4's Amazing Blog!

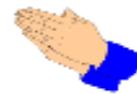

In Maths we have been learning about time. We have learnt about years, months, weeks, days seconds. We also add and subtract for e.g 5 years + 3 years =8 years. And if we convert it it will 96 months. We wrote between two numbers to find out which one is bigger.

In Geography we were learning about the land use in the UK .We also drew a weather chart. Fun fact: 90% of the land is rural and 10% of the land is urban.

Today we were playing Kahoot. We answered questions on Spelling, Maths and Geography.

In sports day, Rikuto won for Year 4! We were so proud.

By Yusuf, Sobhan and David

## Our School Prayer

Dear God  
Help us to do the things we should,  
To be to others, kind and good,  
In our work and in our play,  
To grow more thoughtful every day.  
Amen

# St Cuthbert with St Matthias CE School

“Strength does not come from winning. Your struggles develop your strengths. When you go through hardships and decide not to surrender, that is strength.”

**Arnold Schwarzenegger**

## HEADTEACHER'S LETTER

Dear St Cuthbert children and parents,

A very large thank you to Mr Sorin and the teaching team for leading our Sports morning yesterday! The children had a great time with egg & spoon races, jumping-in-sack races and racing with balloons between their knees! And just when the children thought they had puffed out all their breath cheering, along came the final event: the teachers vs Y6 football match! Thank you Mr Sorin for providing us with a laughter-filled and energetic morning.

And now a thank -you to parents who have attended our graduations this past week - we have the remaining 4 class graduations next week and we look forward to seeing you at these important celebrations.

Our ‘St Cuthbert (certainly) Has Got Talent’ shows have taken place today and a huge well done to the performers for so bravely taking the stage. With so much hidden talent, it might be a plan to have these termly next year...

Finally, all good wishes for a restful week-end as we prepare to enter our final week of our 2022-23 academic year.

With best wishes,

Miss Putterill and the St Cuthbert Teaching Team

**Dear Parents,**  
**A reminder to please pay any outstanding dinner money before next Friday!**  
**Thank you.**

**Thank you to parents who have attended our Graduations this week!**

**Well done to our Y6 class (and their teachers) on their excellent SATS results!**

**THANK YOU!**  
**A very big THANK YOU to our families for the thoughtful gifts and kind words to members of the staff team!**

## Good Samaritan

This week our Good Samaritan is **Judah (Y6)** for consistent and willing support with dinner hall duties every day. We so appreciate this help-thank you!

## Year 3's Blog

Good afternoon St Cuthbert's! Today we will tell you about the fun things we have learnt this week!

In English we have been learning about Guinness World Records. We chose one of the records out of the Guinness World Record book 2023 and we wrote a lot of facts. We recalled features of a non-chronological report. We remembered to include a title, subheadings, interesting facts and a picture.

In maths we have been learning about time in Roman numerals to 12. We also were learning normal time and we had a sheet which was very challenging and we had to only count in Roman numerals example is XI is 11.

We enjoyed participating in Sports Day. Well done to Prince, Lalo, Martin and Sarah for getting through to the finals. Well done to Prince for winning..

*Year 3 class!*

***Well done to Mojtaba and Mouemin (Y6) who jointly took on the Master of Ceremony role and led us through our Talent Shows today!***

## Year 6 Blog!

Welcome to the best part of the newsletter; YEAR 6 BLOG! J This week we didn't do much learning. (Sorry Ms Putterill!)

In Art we were making a jungle at the back of our class with the help of Miss Aavan. We made animals using different materials such as bubble wrap, clothes and mostly tissue paper and cardboard.

During sports morning we did potato sack race, plastic egg and spoon race, balloon race hosted by Mr Sorin. After this our class did the lap of honour and played football against the teachers. Sadly, Anna and I didn't win anything BUT we got amazing stickers which boosted our self-esteem and we also got ice-lollies.

As some of you might know most of the pupils in our class went to Chelsea Academy for transition day. When we arrived there, we were assigned to our coaching groups, I (Anna) was assigned to Einstein (the BEST group – we are known as The Champions) and I (Adeena) was selected into Newton (they told us that we're the second best but in my opinion we are better than Einstein!) In Einstein we started the day with assembly and then we moved on to coaching time. After that we had maths, then science, then lunch. Our final two lessons were P.E and Geography. In Newton we first had a school tour, then we had coaching time, then we had lunch. Our final two lessons were History and P.E. My personal favourite was History because the teacher – Mr Fisher (SHOUTOUT TO HIM) – was very funny and my favourite quote from him is “WHO TOLD YOU THAT A VERY FAT MAN (who is twice the size of Hagrid) GETS STUCK IN YOUR HOUSE CHIMNEY AT 3 AM IN THE MORNING AND DELIVERS PRESENTS THAT CHILDREN DESIRE UNDER SOME BIG PINE TREE? YOUR LIFE IS A LIE!”

Now we will explain everything in depth of what had happened in Thorpe Park. When we arrived, we separated into 2 groups; Anna and I were in the same group so we will explain the things we did in our group. We first went on the Vortex where someone from our group fainted for 5 seconds (yes, it is possible!). Then we went to the Zodiac where we spun super-fast. Then we had lunch. After, we went on a final ride; THE FLYING FISH OF DOOOOOOM (just to note it is a kiddie ride OF DOOOOOOM). Lastly we went to the arcade and the gift shop.

Written by your favourite Y6 pupils whom you will never see again, Anna and Adeena L

**ST CUTHBERT  
WITH ST MATTHIAS  
CHURCH OF  
ENGLAND  
PRIMARY SCHOOL**

Originally founded as a choir school for St Matthias Church, our school has a rich heritage of education within the context of a Christian framework.

Our school can look back at over a century of providing an excellent education for the children of our community. We have the highest expectations of each one of our children and we work to ensure that every child leaves our school having gained all the important skills and knowledge that will help them become successful in their future life.

**STAR LEARNERS OF THE  
WEEK**

**Congratulations to you all!**

- YR Elena For being able to leave her fluffy cat at home
- YR Jacob For always flourishing in all that he sets out to achieve
- Y1 Kyo For showing lots of enthusiasm and recalling facts about England
- Y2 Ruth For fluently and passionately performing her song for the Talent Show
- Y3 Sarah For working hard to tell the time on a 12 hour and 24 hour clock
- Y4 Bawan For trying very hard in maths.
- Y5 Abdul For his willingness to share his extensive Geography knowledge and enriching the Y5 Geography lessons.
- Y6 Dani For constantly showing compassion and maturity.

**HOME LEARNERS OF THE  
WEEK**

**Congratulations to you all!**

- YN Maria For bringing in a piece of number work into school.
- YR Elora For producing all homework tasks to a high standard
- Y1 Rayan For taking responsibility and writing comments in your reading record
- Y2 Christian For consistently getting 10/10 in his spelling test
- Y3 Raya For consistently completing her homework and reading record to a high standard.
- Y4 Yusuf For a high quality reading record entries
- Y5 Jasmine & Giya For consistently handing in their reading record, homework and projects on time
- Y6 Whole class For passing their SATS exams! I'm very proud of you!

**DOUBLE PARKING**

Please can parents respect our request not to double-park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.
