Year 6's Blog

Welcome to Year 6's amazing blog!

In English, we have been learning about Historical fiction. In the 1st lesson we made a mind map. We wrote about our title and we started reading a book. The book was called the War Horse and some historical fiction movies are the Titanic (which is a love story) then we did an activity which involved some questions and we did a little reading of War Horse. In the reading we had to highlight some of the text and answered questions about the book, author and narrator for e.g. what is the difference between a narrator and the author?

In Maths, we have been learning about place value. We did a mind map about place value. Did you know that place value has a lot of values that goes over 100000000 and it's not only about adding or subtraction or division, it's about a lot of things. We also we used counters and other Math materials and in our second task we had to work out place value up to 1 million and also some of us got to 10 million.

In DT, we have been learning about chairs and we did a little mind map. We used some chairs types for e.g. wheelchair and highchair. Also there are some types of materials you can use and a lot of things will give you some materials like ice, lego, leather, metal, plastic and wet sand. We wrote about some chairs. We also took some photographs to write about.

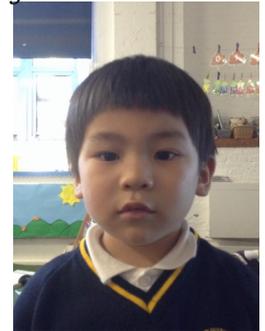

In our new Science topic, we have been learning about animals including humans. We also made a mind map for our first lesson. We wrote some facts about the veins in the circulation system. All are veins could wrap around the world 2 times and this is what we did.

In RE, we have been learning about life and death and we did a big mind map then we did a little activity which was drawing a timeline from childhood to our regular age, starting from 4 months to 10 years old.

THANK YOU FOR READING OUR YEAR 6 BLOG. By Ammar and Ethan

Nourah YN "I made friends this week. They are called Palmyre, Elena and Diayla."

An Yi YR "We are learning about 'my family'. Anna, Andy, and my Mum are in my family."

Ghaidaa Y2

"In English we looked at traditional tales. We read Three Little Pigs. The big bad wolf tried to eat them."

Tidy Teds

Tidy Ted for KS1

was awarded to Reception class for a tidy book corner, and Tidy Ted for KS2 was awarded to Y5 for beautiful book corner.

Good Samaritan

Neimah (Y4) for being a considerate partner in class, helping others and boosting their confidence.

"A person who never made a mistake never tried anything new."
Albert Einstein

Soriyah Y3 *"In RE we recalled topics we learnt in Year 2 about marriage, baptism, and God parents. We also looked at creation."*

Year 5's Blog

Welcome to Year 5's mind-blowing blog- please enjoy it!

In English, we were doing express poetry. So we drew ourselves and then we cut our head [not in real life] and we put what we were thinking in our smart minds next to the head. After we had done that we explained what we were thinking. I [Kleon] was thinking about basketball and football. I [Gabriel] was thinking about the sun and the earth. In Maths we did some complicated math problems. For example 195000 to the nearest 10000 is 200000 for me [Gabriel] it was hard because I have never had a problem this hard

In RE we did a mind map about Jesus and his teachings and miracles. For example, water to wine, walking on water, and healing a blind man. It was very fun to learn about all the things about Jesus. In Science, we learnt about Earth and Space. We did a mind map about it and we learnt a lot of facts about Space. For example, Venus is the hottest planet being 456 degrees and Mars is named after the Roman God of War.

In Spanish, our teacher gave us a sheet and we had to write our age, name and so much more. For me [Gabriel] it was easy. For me [Kleon] it was hard [the reason why it was hard for him is that he doesn't speak much English and Spanish].

Hope you enjoyed our blog By Gabriel and Kleon :]

Dear St Cuthbert children and parents,

At the end of our first full week 'back in harness', what do we all have to say about our week?

Let's hear from our staff team and pupils...

'We love the children! It brightens our day coming back to school after the holidays!' kitchen team (Gina, Lorraine, Emma)

'I have come back very refreshed, wanting to learn more and reflect on last year to see how I can do better!' Mrs Brincat

'It's amazing coming back after the holidays!' Christina, y3

'It's so amazing because I love learning!' Talia Y3

'It's different but fun in Y3!' Tala, Y3

'It's lovely coming back to school!' EYFS TA

'It's amazing! To be truthful I got bored in the final two weeks of holidays!' Miss Julie

'The best thing about being in Y2 is we get to have harder homework.' Alex, Y2

'It's lots of fun with our new kiddies. Lots of fresh energy and excitement for the year ahead!' Miss Hay

'It's really nice being back and great to get to know the children in the school!' Miss Horn, our AHT who was a student teacher in our school a few years back.

And now with two days of weekend ahead, we wish you some happy time in and outdoors!

With best wishes, Miss Putterill and the St Cuthbert Teaching

Talia Y3
 "In Science we are learning about what animals, including humans eat. There are three types of diets. They are carnivores, herbivore, and omnivores. Humans are omnivores which means they eat both meat and plants."

Amazing art work from our new student Kate (Y4) presented to Miss Putterill.

Nursery's fantastic family tree with children's pictures.

Yafet Y1 "We went to the Brompton Cemetery. We looked for plants. We found sunflowers and different white flower plants."

Omayma Y1

"In Science we are learning about plants. We made a mind map. Then wrote facts like trees are plants, and plants need the sun and water to grow."

Sizar Y2 "In DT we are learning about textiles. We felt different types of fabrics and patterns. Some are soft and some are rough."

Year 4's Blog

Welcome to Year 4's amazing blog!
 In English, we have been learning about fables. We explored different fables. We read sections of different fables. We made a mind map and included animal characters, the moral of the story and who wrote the story. We read the story of The Tortoise and the Hare. We listed the characters, wrote the title, and the moral of the story which was keep on going, never give up.
 In Maths, we have been learning about number lines. We looked at how to place a 3, 4, and 5 digit number on a number line. We also estimated the position of a 2, 3 and 4 digit number on a number line. We used the mid-point to guess the position.
 In RE, we learnt about how Abraham demonstrated faith in God. We talk about the relationship between God and Abraham. We also looked at what it means to have faith. It means to trust and love someone you know. I (Lias) trust my parents and my siblings. I (Sarah) trust my parents and my teachers. *By Lias and Sarah*

Autumn Term - After School Club Program

	Nursery and Reception 3:00-3:45	Ks1 3:30-4:30	Ks2 3:30-4:30
Monday	Construction & Lego Club Miss Faith Hay 10 children £20 per term In Nursery/ Reception	Performing Arts Club (dance, drama, performance) Bonnie Idee 15 children £35 per term In the hall	Performing Arts Club (dance, drama, performance) Miss Bonnie Idee 15 children £35 per term In the hall
Tuesday	Art Club Miss May Baradah 12 Children £30 per term Athletics/sports Mr Sorin £30 per term 15 spaces In KS2 Playground	Music and Movement club Mrs Ogee Brincat 10 Children £30 per term Athletics/sports Mr Sorin £25 per term 15 spaces In KS2 Playground	Athletics/sports Mr Sorin £25 per term 15 spaces In KS2 Playground
Wednesday	Junk Modelling Ms Julie Burns 10 children £20 per term In Year1 class-room	Homework Club Miss Louise Smith/ Mrs Mandy Trewick 15 children £30 per term In Year 3 class room	Homework Club Miss Louise Smith/ Mrs Mandy Trewick 15 children £30 per term In Year 3 class room
Thursday	Homework Club Miss Proctor 20 children £20 per term In Reception class	Football Club Mr Sorin 25 children £25 per term In KS2 playground Junk Modelling Ms Julie Burns 15 children £30 per term In Year 2 classroom	Art Club Ms Lily Mebratu 20 children £30 per term Year 3 class Football Club Mr Sorin 25 children £25 per term In KS2 playground
Friday	No Clubs	No Clubs	Hula & Skipping Club Miss Carla Joyce 20 children £20 per term In the hall

Thank you to parents for your interest in our after school clubs. We still have some spaces in all clubs. Please email info@scvsm.rbkc.sch.uk for more information.

'As a school community we are inspired by the parable of the Good Samaritan from the Bible (Luke 10:25-37), where we are encouraged to love one another courageously and with compassion. Through friendship, kindness and thoughtfulness, we will nurture each other to learn and flourish as individuals.'

Loving one another. Learning for our future.

STAR LEARNERS OF THE WEEK

PRESENTATION HOTSHOTS OF THE WEEK

Congratulations to you all!

Congratulations to you all!

- YN Kyla-Mai For her amazing participation with class discussions.
- YR Jahzel For sharing his thoughtful ideas with the class.
- Y1 Louis For always following the class rules and for being exciting to learn.
- Y2 Ghaidaa For sharing her wealth of knowledge on the new English topic—traditional tales— with the rest of the class.
- Y3 Christina For exploring the different food groups in Science and giving many examples.
- Y4 Ayo For participating fully in RE discussions and making thoughtful contributions.
- Y5 Oliver For producing a detailed recount of his summer holiday.
- Y6 Lyamar For excellent facts and knowledge in Science.

- Y1 Leo For always going the extra mile with home learning.
- Y2 Younes For taking care to work quickly and neatly and meet the Year 2 standard of work with courage.
- Y3 Ezare For beautifully presented mind-maps in RE and Maths.
- Y4 Lyla For refining her presentation and work in each lesson.
- Y5 Alexandra For taking time in her holiday to practise her handwriting.
- Y6 Sarah H For using excellent vocabulary in her recount.

IMPORTANT REMINDER:

PE kits must go home on Friday for washing and return to school on Monday. Kits stay in school all week. Pupils must be wearing their full PE kits for PE.

Puzzle Time

Circulatory System Word Search

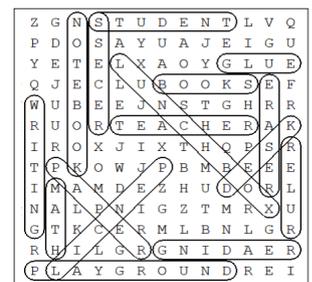

- | | | |
|----------------|--------------|------------------|
| ANTIBODY | CIRCULATION | PULSE |
| AORTA | CLOT | RED BLOOD CELL |
| ARTERY | FIBRINOGEN | SEPTUM |
| ATRIUM | HEART | VALVE |
| BLOOD PRESSURE | HEMATOLOGY | VEIN |
| BLOOD TYPE | HEMOGLOBIN | VENA CAVA |
| CAPILLARY | HYPERTENSION | VENTRICLE |
| CAROTID | PLASMA | VESSEL |
| CHAMBER | PLATELET | WHITE BLOOD CELL |

There will be exciting prizes, for the right answer to this week's puzzle handed in on **Thursday**. Please write your name and answer on a separate piece of paper. **Good luck!**

DOUBLE PARKING

Please can parents respect our request not to double-park at drop-off and pick-up times. This creates danger for our pupils and blocks exits and entrances for residents. If this issue persists, the residents will take action by asking the council to block the road.
