Nursery 2023-2024

Spring 1 Curriculum Map

Understanding The World

We will learn to:

Use our senses to explore natural materials

Talk about what we see using a wide range of vocabulary

Understand different animals live in different habitat

How we will do this:

Discuss events that are important to us

Explore the changes that occur to our natural environment during winter

We will celebrate Chinese New Year and learn about the practiced traditions

Outdoor Learning

Explore the changes that occur through the winter– looking at trees with not leaves, ice, snow etc

Paly team parachute games to improve our communication and gross motor skills.

Under The Sea

Physical Development

We will learn to:

Continue to develop their movement, balancing, riding skills

Be increasingly independent as they get dressed and undressed and do zips on coats

Use one-handed tools and equipment, for example, making snips in paper with scissors

How we will do this:

Use the bikes in the outdoor area

Be able to put on our own coats

Practice using the scissors and other resources safely

Expressive Art & Design

We will learn to:

Listen with increased attention to sounds

Join different materials and explore different textures

Show different emotions in their drawings& paintings, like happiness, sadness, fear

How we will do this:

Play listening games to try identify what the sound is

Explore different materials both inside and outside

Create zones of regulation flowers to express our emotions

Religious Education

Why do Christians Believe Jesus is Special?

Who is special to me?

Have I ever lost something special?

Why was Jesus a special child?

Why was Jesus a special grown up?

What does Jesus teach Children?

Celebrations

Chinese New Year

National Story Telling Week

Valentine's Day

Random Acts of Kindness Week
