

Personal Social Emotional Development

We will learn to:

Be increasingly independent in meeting own care needs, e.g., brushing teeth, using the toilet, washing and drying our hands

Make healthy choices regarding food and drinks

Select our own resources to help us achieve our goals

How we will do this:

Learn about the importance of keeping ourselves clean and healthy

Learn about how fruit and vegetables give us lots of nutrition and the effects of unhealthy foods

Engage in free choice creative activities to create art work of our own choice

Literacy

We will learn to:

Form some letters that are not in our names accurately

Add marks to our drawings that have meaning

Spot and suggest rhymes

How we will do this:

Practice letter formations as we learn our sounds of the week

Be encouraged to add a small piece of writing such as a label to the drawings we create

Listen to a rhymes and poems and identify other rhyming words

Nursery Curriculum Map 2023-2024

Summer 1

Core Books

The Hungry Caterpillar

Rosies Walk

Yucky Worms

Percy The Park Keeper

The Enormous Turnip

Jack & The Bean Stalk

Walking Through The Garden/Mini Beasts

Core Rhymes

Mary Mary Quiet Contrary

Ring a Ring a Roses

Here we go around the
mulberry bush

Wiggley Worm

Incy wincy Spider

Caterpillar Wiggle

Communication and Language

We will learn to:

Develop our communication to speak in longer sentences

Know many rhymes

Talk about our favourite books

How we will do this:

Communicate with others regarding a wide range of topics

Learn new rhymes and be able to identify many rhyming words

Enjoy independent reading time and share with the class why we enjoyed our books

Maths

We will learn to:

Understand and use positional language such as underneath, next to, in between

Describe sequence of events using words such as 'first', next and 'then...'

Create and Extend patterns

How we will do this:

Place objects and resources in different positions learning and practicing positional language

Whilst caring for our plants we will learn to describe the step by step processes

Create our own patterns using natural resources

Nursery Curriculum Map 2023-2024

Summer 1

Understanding The World

We will learn to:

Plant seeds and care for growing plants

Understand the key features of the life cycle of a plant and an animal.

Begin to understand the need to respect and care for the natural environment and all living things

How we will do this:

Plant our own seeds and watch how they grow. Taking care to give them enough water and sunlight

Plant and grow our own vegetables

Observe growth of plants and vegetables in the outdoor garden making sure we care for them and protect them from damage

Celebrations

Eid

Kings coronation

Outdoor classroom day

National Bee Day

Physical Development

We will learn to:

Be increasingly independent as they get dressed and undressed

Go up steps and stairs, or climb up apparatus

Choose the right resources to carry out our plan

How we will do this:

We will begin to bring our own PE to get changed into before each lesson

Navigate using the outdoor climbing equipment outdoors

Free choice of a range of resources and materials

Walking Through The Garden

Expressive Art & Design

We will learn to:

Play instruments with increasing control to express our feelings and ideas.

Use drawing to represent ideas like movement or loud noises

Sing the pitch of a tone sung by another person

How we will do this?

Use the 'stage' in the outdoor area to express ourselves musically

Adult focused tasks to guide us on how to express ourselves through art

Sing familiar songs in different pitches and be able to pitch match

Religious Education

Who cares for this special world and why?

Why Should We Care For Our Special World?

How Can We Care For Our World Everyday?

How Can We Care For the Animals In Our Special World?

How Can We Care For Our School?

How Can We Care For Our Neighbours?

How Does the Church Care For God's Special World?

Outdoor Learning

Planting seeds and bulbs

Creating a 'bug hotel'

Musical stage

Planting and caring for vegetable as they grow

Creating bug food in the mud kitchen

Observe spring seasonal changes
