

Dear Parents/Carers

It has been a whole term since we took over the running of the After School Provision from Fit for Sport. During the transition process we have kept the prices low until we were able to offer a smooth-running provision.

We will now need to increase the costs moving forward, starting in January. Our new costs for **St Cuthbert parents** will increase to:

Up to 4.30pm	£6.00
Up to 6.00pm	£10.00
4.30pm – 6.00pm	£6.00

Because of the additional member of staff needed to look after 3-4 year olds, the **Nursery children** costs will increase to:

Up to 4.30pm	£7.50
Up to 6pm	£12.00
4.30pm – 6.00pm	£7.50

We have not previously charged for the walking bus, so also taking this into account, our new costs for **Bousfield parents** will increase to:

Up to 4.30pm	£7.50
Up to 6pm	£12.00
4.30pm – 6.00pm	£7.50

We do appreciate that this is an additional expense for you but we are pleased to have been able to keep costs low for the first term of the provision. We think this is still cheaper than a registered childminder or a nanny.

We do hope you have been happy with the provision we provide and will continue to use it.

Yours sincerely
